Local overnight storms brought strong winds to Metedeconk, but we had sunny skies. With light motor boat traffic, the 2012 New Jersey States saw ideal conditions and excellent racing in a five-race regatta. Competition was strong in a deep ten-boat fleet, as several former CAD champions took last in individual races.

Mitch Hnatt's consistency won out over Taboada brothers Brian and Keith to become the new "Boss" of New Jersey.

Thanks go to Race Committee Chair Bill Bogardus who ran an efficient set of races. Regatta Co-Chairs Mitch Hnatt and Richard Thomas organized a fun, competitive regatta which saw tired competitors leave – tired from the windy conditions and/or beer keg. Thanks to all for coming.
