Meet the new 5th Executive Committee Member: Ryan Ruhlman, Fleet 36 Pymatuning Yacht Club

The Governing Board has elected Ryan Ruhlman as the 5th Executive Committee Member. Ryan currently serves on the Governing Board as an Assistant Measurer and has served in this position for 10 years.

"It is hard to put into words what this opportunity means to me. The Lightning Class has been part of my life since well, it began. This class, filled with friends and family from around the world, is (to borrow a phrase from Rob) not something I do, but it is part of who I am. Of all the good times on and off the water, the thing I enjoy most is having been able to bring my wife, Tesse into the class, and our two children in the

future. Being part of the EC allows me the opportunity to continue these great traditions, be part of moving us forward, and ensuring that the class will be there for many more generations."

- Ryan Ruhlman
