This year we had the river to ourselves due to an overnight rainfall. But it cleared off by 9:30 AM and we were racing by noon in 6-10 mph and down to 3-5 mph winds from mostly the north.

Four races saw different winning teams: Dick Moyer, Justin Copland, Steve Constants, and Star Mikell. With 3-3-3-3 finishes, Trevor Prior with crew Matt Jay and Daniel Rau beat the next boat that included Trevor's daughter. Father triumphs over talented daughter, Danielle Prior, sailing with Justin Coplan on the mighty Susquehanna.

A few boats traveled from some distance, including Bob Wardwell of upstate New York and Tim Grady of Florida, to be with us. It's much appreciated. Thanks to all the out of towners for coming. The competition was tight, food was excellent and the beer was flowing for Oktoberfest. See you all next year.
