

## ILCA Class Rule 42 Modifications

As allowed by RRS 86.1 (c) the ILCA has adopted the following class rule change to RRS 42.

PROPULSION. Modifying rule 42.3(c), "Except on a beat to windward, when surfing (rapidly accelerating down the front of a wave) or planning is possible, the boat's crew may pull any sail using the sheet only, (not the guy) in order to initiate surfing or planning but each sail may be pulled in only once for each wave or gust of wind. When the mainsail is pumped, only that part of the sheet between the crew member handling the sheet and the first block on the boom shall be used." This Class Rule changes RRS 42, and shall be included in the Notice of Race for informational purposes only.
