

Skaneateles One-Day Regatta
Scanateles Country Club – Fleet 1
Scaneteles, New York
September 12, 2015

Skaneateles, NY— Fleet 1 hosted the 2015 Skaneateles One Day Regatta on a rainy September 12, 2015.

Six boats and crew arrived at the Skaneateles Country Club on a rainy Saturday morning. With deteriorating weather and light winds, four boats rigged and went on the water. Rebecca Fleckenstein driving 14968, Landy Atkinson skippering 14949, Doug Axtell and family in his restored Lippy 9235, and Mike Yates and the twins in Skaneateles built 378.

We were able to get off four races that afternoon. Hats off to a dedicated Race Committee and four enthusiastic crews!

Landy and crew sailed a great event and came in first place with four bullets. Rebecca Fleckenstein with Buccaneer 18 racers Jordan and Scot Laundry came in a strong second. The battle for third was hard fought and after a double tie breaker, the Race Committee gave the Yates' 378 the nod. Doug Axtell has a very fast Lippincott and did a top notch restoration. His team was awarded best finish by a classic.

Fleet 1 looks forward to hosting this event next year, hopefully with better weather and hopes everyone pencils in July 6-8, 2018 for the 80th Anniversary Lightning Regatta!
