8	LanNidy	Chris Shipman	Escanabe	14964	6	8	8	8	7	37.00

Eight boats competed at Southern Yacht Club's Jubly Wynne One Design Regatta in New Orleans for the 2013 Lightning Southern District Championship. (Just a little history, Jubly Wynne was a long-time Lightning sailor at Southern Yacht Club who sailed his wooden Lightning Jane's Mink—yes there is a story there—then moving up to the hot new fiberglass model Super Mink.)

The weather couldn't have been better and the host club did a great job on and off the water including a Crawfish Boil and a keg of beer Saturday evening and Jambalaya and a keg of beer after racing on Sunday.

Five races were sailed, three Saturday in 12 – 15 knots and 2 Sunday in 7 – 9 knots. Close racing on Saturday left only two points separation between Larry Frost, 1st with five points, and Tommy Meric, 2nd with seven points, and one point between Meric and Robert Bernhardt, 3rd with eight points, leaving the rest of the fleet some serious work to be done on Sunday. Sunday saw Cal Herman with a good day with two 1st place finishes, moving him into the 2nd spot overall, but he could not overcome Frost, who just could not be held back.

Congratulations to Larry Frost, III for winning the 2013 Southern District Championships.

Thanks to the Southern Yacht Club for providing great hospitality and racing. Also, a special thanks to our Texas District neighbors for travelling to New Orleans for their Memorial Day weekend.
