Saturday greeted 13 teams with bagels, coffee, and no wind. After a 30 minute postponement the wind was 4-7 knots from the north with flat water. The fleet managed 4 fair races each lasting 30 - 40 mins. Michael Zonnenberg and crew had a stellar day winning the first three races and placing second in the last race, behind him was Jaime Allen and Bill Fastiggi with 13 and 15 points. Upon returning to MBBC the sailors were welcomed with great hors d'oeuvres, beer, and the famous Kika juice. Later in the evening, happy sailors enjoyed Bove's lasagna that has been a tradition for many years.

Sunday sailors were welcomed with a warm and rainy 9-14 kts southerly. The conditions were challenging with the breeze coming off the land. The shifts and pressure differentials gave many opportunities for passing or losing boats. Two wet races were sailed. Zonnenberg maintained his large lead by scoring a 3rd place and dropping an OSC on the last race ending regatta with a total of 8 points. Fastiggi moved to second with a total of 16 points and Jaime with 17 points. Thanks to Bretton Gardener for doing an awesome job organizing the event and a big thanks to PRO Al Russel who continues to run awesome races on Malletts Bay.
