Three additional US Slots are open. Please contact the ILCA Class Office for additional information by January 11, 2019.
as of January 7, 2019

Please be advised, we are projecting shipment costs of \$2,500, round trip. Once we have all deposits we can confirm shipping details but we are currently anticipating containers being shipped from Buffalo, NY, Mark Schneider's facility in Riverton, NJ and container(s) from Houston, TX. If there is interest of 4 or more boats shipping directly from the West Coast please contact me in the Class Office and I can provide an updated shipping estimate. Boats will likely ship from TX the end of April and NJ/NY the beginning of May.

Regarding confirmation and deposits we have established the following schedule:

\$500 due by October 15, 2018 - Shipping Deposit and confirmation you will attend.

\$500 due by December 1, 2018

\$500 due by January 31, 2019

\$1,000 due by March 15, 2019

These deposits are refundable only in the event that your slot is filled should you withdraw at a later date.

While there may be some boats available for charter, priority for those will go to South American competitors and developmental slots.

To confirm your slot, please send a \$500 deposit check payable to the ILCA to the address noted below.

Failure to reply by Oct 15, 2018 (or later depending on invite date) will result in a forfeit of your slot at this time. If you have any questions or concerns please contact VP Worlds, Rob Ruhlman or Class Secretary Jeffers in the Class Office.
