16 Teams, 8 Countries, 3 Continents David Sprague reporting from Salinas via email! (THANKS, DAVE!)

FINALLY! We had a great week. 5 different countries won a race (USA had 2). No one person won 2 races. Very tight racing and right down to the last race!

DAY 3 (Race #5 and Race #6) results unofficial.

DAY 2 (Race #3 and Race #4) results unofficial. Race #3: Wind 8-12 knots, cloudy and 30 degrees (C). Race #4: 8-10 knots, overcast and 28 degrees (C).

DAY 1 (Race #1 and Race #2) results official. Winds were 8-12 1st race, 10-14 2nd race. Weather clear and hot. Good RC work.
