

TOPIC: Medicaid Coverage of Diabetes Self-Management Education and Support (DSMES), Part 1: Obtaining Coverage

DATE/TIME: Tuesday, December 19, 2017, 3:00 – 4:00 Eastern

DESCRIPTION:

This first webinar will focus on the various pathways to obtaining coverage. Two states (MS and CO) will discuss how they have obtained coverage for DSMES (also referred to as DSME/T and DSME) for their Medicaid populations. Two presenters from the Centers for Medicare and Medicaid Services and the Centers for Disease Control and Prevention will provide an overview of DSMES and avenues to obtain Medicaid coverage, respectively.

LEARNING OBJECTIVES:

At the end of the webinar participants will

- Understand the importance of quality DSMES programs (those meeting ADA/AADE National Standards)
- Understand how the provision of quality DSMES aligns with the CDC-funded state work
- List at least two roles for state health departments as they worked to obtain Medicaid coverage of DSMES
- Compare and contrast features of the DSMES benefit structures of two states
