

## 2019 One Design Championship Series Day 4:

2019 One Design Championship Series day 4 saw 9 races for 3 fleets including Thistle Lido and Laser. Temperatures got to a comfortable 72. Winds were mixed with great shifts from NE to NW to southerly at 4-8 mph with gusts into low teens. Race Committee welcomed UCD FJ fleet for practice start but postponed fleets until 3:15 p.m. in shifty NW to NNW winds that caused first starts to dramatically favor the pin end as wind went W. Several times the RC moved marks and then postponed again to move line and marks in shift to SE during second races. Racing was abandoned after third races due to lightning in approaching storm which ended up stalled over Woodland with a tornado sighting near Davis. There were close finishes among the fleets before all boats safely to shore. Thanks to Race Committee volunteers D Candey (PRO & Registration); B Herion Leo Bastino (Safety Boat).
