

***** Public Star Parties *****

2020 Schedule

* The Delaware Valley Amateur Astronomers *

Come see the Universe as few on earth have ever seen it!

*Use a variety of telescopes and binoculars to look for **planets**moons**constellations**nebulae**galaxies**star clusters**comets**meteors**satellites**double stars**and more !
Star Parties are a public service of the DVAA and are **FREE! No Admission Charge!!***

* **Location:** Valley Forge National Historical Park -- Model Airplane Field

* **When:** The following nine Saturday evenings during 2020.

Date	Mar 7	Apr 4	May 30	Jun 27	Jul 25	Aug 29	Sep 26	Oct 24	Nov 21
Time	6:00	7:30	8:30	8:30	8:30	7:30	7:00	6:00	5:00
Sunset	6:01	7:30	8:24	8:35	8:22	7:38	6:52	6:09	4:41

Star Parties end at 11PM on the aforementioned dates. All visitors must be off park grounds by 11PM.

* Easy Directions From Rt. 202:

Rt. 252 North from Rt. 202 at Devon exit - go exactly one mile
Make sharp left onto dirt/stone road (just after PA Turnpike overpass)
Look for telescopes set up on grass. Park on dirt/stone road only.

* Easy Directions From Rt. 23/Rt. 422:

Follow Rt 23 around the park
Make a left turn at the traffic light on Rt 252 South.
Follow road through the park to the field. If you pass over PA Turnpike, turn around!
Look for telescopes set up on grass. Park on dirt/stone road only.

Note: Novice stargazers are often surprised at how *cold* they get while observing. For your own comfort and enjoyment, please remember to **dress warmly!** **Cancellations:** Star Parties are **NOT** held if there are clouds, rain, etc. Hope for clear skies!
