## FOR A DOG PARK IN LUDLOW PARK

*We, the undersigned, ask our Government to support the building of a Dog Park in the Ludlow Park neighborhood of Yonkers.*

At a minimum, the park must be:

- Fenced in with a double-gated entrance and separate large & small dog sections.
- Supplied with regularly emptied waste receptacles.
- Covered on the ground with wood chips.

Proposed location: NY State-owned land on the western side of Riverdale Avenue between Franklin Avenue and Culver Street (Block 0151, Lots 200-204), occupying as much as possible of the green space between the meandering walkway and the western fence.
