

2019 Colorado Off-Highway Vehicle Coalition (COHVCO): OHV Training Workshops

Thanks to funding from the Colorado Parks and Wildlife OHV Grant program, COHVCO will be holding two OHV training workshops to educate and benefit the state's off highway vehicle (OHV) enthusiasts, land managers, and other OHV stakeholders. These trainings will be focused on the development of sustainable trails and trail partnerships.

Great Trails Training: Gunnison, CO

The Colorado Off-Highway Vehicle Coalition in conjunction with the National Off-Highway Vehicle Conservation Council, Colorado Parks and Wildlife, the US Forest Service, and the US Bureau of Land Management, will be conducting an OHV trails workshop in Gunnison, CO on May 31-June 2, 2019. The 3-day training will consist of classroom sessions on May 31, at the Gunnison Community Center and field sessions on June 1-2 on land managed by the BLM Gunnison Field Office. Field sessions will involve walking to various sites on the trail system so bring your best hiking shoes, appropriate clothing, and drinking water.

When: May 31-June 2

Where: Gunnison Community Center

200 Spencer Ave
Gunnison, CO 81230

Developing Motorized Opportunities on Public Lands: Salida, CO

The 3-day training will consist of a welcome reception on July 11, classroom sessions on July 12-13, a banquet dinner on the evening of July 12, and a field session on the Salida Ranger District on the afternoon of July 13. The welcome reception location will be sent to all registered attendees. Classroom sessions will be held at the Salida Steam Plant and the field session will be held on land managed by the US Forest Service, Salida Ranger District. Field sessions will involve walking to various sites on the trail system so bring your best hiking shoes, appropriate clothing, and drinking water. Lunch will be provided on the 12th and 13th.

When: July 12-13

Where: Salida Steam Plant

220 W Sackett
Salida, CO 81201
