Waivers will be available and collected at check-in at the registration desk. In the event of a crew substitution thereafter, the new crewmember(s) must submit a signed waiver to Roger Knight at Regatta Headquarters prior to racing. Failure to comply invalidates the boat's entry.

**7. Racing** - Racing will be held on Great South Bay to the south of Narrasketuck YC. The number of races each day will be determined by the Race Committee based upon weather conditions. It is the intent of the race committee to conduct six (6) races over the two days of the regatta with four scheduled for Saturday.

**8. Mandatory Boat Weighing** – All boats participating in the National Championship Regatta are to weigh their boats as part of the inspection process using the official class association scale. The cut point for the President's Fleet will be announced by the race committee at the September 16, 2018 skipper's meeting. The Championship and President Fleets will continue to sail together on the second day and receive scores based on the position of their finish overall in each race. Their total scores for the two days will be used to determine their overall position within their respective fleets. If sailing is cancelled on the second day, the first day's results will be used to determine the two fleets' top three positions. If the first day of sailing is cancelled, the second day of racing results will be used to determine both the fleet designations and top three scoring positions.

**11. Protests** - Protests must be filed with the Regatta Chairman within one half hour of the completion of the last race of the day as fixed by the race committee. Protest forms may be obtained in the Club House.
