

SOUTHERN TIER CORVETTE CLUB

MAY/JUNE 2013

Highlights of Meetings:

MAY:

Cindy Walsh submitted the Treasurer's Report. One new member has joined through our web site. Thanks was given to Ray and Cheryl Sawdy for raising \$59 for the club through their garage sale. Cindy will also be updating information for our website to include donations made by the club.

Bill Dearborn reported that he is researching the steps that we would need to take to have tax exempt status for our taxes. There will need to be a board meeting to change some of the language within our by-laws. Rich and Kathy will need to include an option for a weekend membership to those who participate in autocross events. The suggested cost here will be \$5.00 additional to autocross registrations.

The club approved a budget of \$150 for materials to run the August 3 Funkhana. Further information about staffing and participation will be coming at the next meeting.
