

SOUTHERN TIER CORVETTE CLUB

MAY 2012

Highlights of May Meeting:

President's Report - Gary reported that Steve has updated our website to allow a few members to add material to our site. Steve needs to set-up a training session for these individuals.

Vice President's Report - John reported on a number of car shows and cruises in our area. *See Upcoming Events*
The following Cruise-In's will take place over the summer:

Mondays at Auto Plus Parts in Owego 5-8pm

Wednesdays Corvettes @ Otsiningo 6-8 PM

Thursdays at Pizzeria Uno hosted by the Cruisin' Buddies 5-8pm

Fridays at Tom's Texas Hots on Upper Court Street

Saturdays at Barnes and Noble

It was noted that our club was mentioned in the Good News part of the Press for winning the STCC Northeast Autocross Championship.

Governor's Report - Minutes from the Governor's meeting are not available yet.

NASA will be conducting a Hyperdrive Program **July 14-15** at Pocono Raceway. This will be a program to find out what a driving school is really like. Will accommodate 10 students per day. Sign up in advance or day of event. Be at the track by 10:30 AM. The cost will be \$60.00. Contact Bill for further information.

Program will include:

- Classroom Session and one 20 Minute Track Session With an Instructor.
- No Speed Limit
- Passing with Point By Allowed
- Open to All Licensed Drivers over 18.

Requirements:

- At least 18 years of age
- Any car *except*: convertible (without roll bar) / Minivan / SUV / Crossover / Truck
- Car must meet NASA Technical Inspection Criteria – can be done by you or a mechanic – *check requirements at: <http://www.nasane.com/images/documents/nasa-ne-tech-form.pdf>*
- Long Sleeve Shirt / Long Pants / Closed Toed Shoes
- Helmet provided by NASA

Would you like to make this event a Club Cruise? Some people as Hyperdrive participants while others just observing and/or getting rides with NASA Instructors? There will be several NASA Races that can be watched as well.

Schedule for July 14th with the 15th as a rain date.

Leave from the Cracker Barrel on Front Street at 8:00 AM

Eat an early or late lunch at Murphy's Loft.

Participants: Club Members and anyone else who would like to come. You do not need to drive or own a Corvette.

Purpose: Have a great day and a lot of fun together.
