President's Message

by Erik M. Meehan

A Change in Seasons, and a (possible) Season of Changes

Judging by the profound lack of use that has befallen my bedroom's air conditioner after an extended marathon of use, I would say that summer has bid us farewell until next year. This thought has been reinforced by Kitsap County's decision to lower the Fire Level back to normal levels. (With that being said, since we are all members of the Safety Committee, we should still be

vigilant of fires.) In addition to the lowering of the fire level, I have also been told that the logging operations WILL NOT impact parking for the annual Ghost Train run, which is good news.

As I look back on the last several months, I have to say I am overwhelmed by the support (in ridership, donations and a willingness to help us) that the community-at-large has shown since the vandalism at the track, and the coverage that it received. It's nice to know that we are appreciated.

With regard to the new agreement, we haven't heard anything from Kitsap County about the changes we have requested. I am comfortable with letting the County broach the subject again when they are ready.

President's Message
 Continued

I have received an e-mail from Caden (who is one of our most active Members--though he is not old enough to drive a car yet) that he would like to have an Operations Meet up here in KLS, presumably during a Fun Run day. I am looking forward to his presentation at the October monthly meeting. Personally, I would like to give it a try.

During the September monthly meeting, several possible changes were brought up. The result of the discussion is that we are fielding a committee to review the by-laws, and come up with recommendations for any changes that may be deemed necessary due to changes in technology and other circumstances. This is a perfect opportunity for those who may feel disenfranchised or otherwise marginalized to get involved, and improve on our railroad.

Be safe, have fun, and please remember that this is YOUR railroad.

Building and Grounds

By Tom Caparella

Nelson and Barbara have had to do a lot of work around their house so they have not been able to be at the track as much lately. They have been able to keep the Thomson Building cleaned and maintained. Don Rogers has been keeping the yard raked and cleared of much of the debris. He has been disposing of the debris as well. Don has also blown the center of the mainline. The parking lot needs much attention.

Station Report

By Barbara Lanchester

August was an absolutely awesome month, at the depot. The weather was great, we didn't need coats and gloves, or umbrellas.

We had a total of 2,421 riders. These are very faithful riders who come out regardless of the weather. They are very patient and wait for the trains. Once they have ridden the train, the majority of them get back in line for another ride. A big Thank You to each and every one who comes out and rides with us!

We are hoping the weather continues to be good. We only have 3 more Run Days this season. Hope you will be able to come out and enjoy them with us.

Printable Roster

A complete printable Membership Roster is now available. From the Home Page follow the green menu strip to Membership Directory. Two options are available; the first is a quick search providing phone number and if the member has email, a link. The second option will provide a comprehensive roster including member's mailing address, phone and email. Click on the first line, titled "KLS Membership Roster (date)," and it will automatically load. This can be printed for your future reference, however, you will need a pdf program such as Adobe.

If you would like to have a printed copy sent to you, or there is an error in a listing, please let me know, 253-566-3843 or withane65423@gmail.com.
