

Signal Mountain Lions Community Outreach

When caring people join together, roll up their sleeves and take action to make their community better, it's a beautiful thing—and an incredible feeling for everyone involved.

Being a Lion is about leading by example, building relationships, and improving the world through kindness. Signal Mountain Lions are 90+ caring men and women serving together so they can make a lasting impact and change more lives.

Giving their time and energy to others is a fantastic way to help the community. Yet, it also provides a great feeling that can spread and have a positive impact in your life and how you approach the world. Lions are more than a check writing organization, when needed they roll up their sleeves, jump in, and do the work.

Signal Mountain Lions are proud to partner with other like-minded organizations in the community. Together we can do so much more. These organizations include:

Town of Signal Mountain
