

The Melvin Jones Fellowship Program was established in 1973 in honor of Melvin Jones, the founder of Lions Clubs International. The MJF program recognizes donations of US\$1,000 to Lions Clubs International Foundation (LCIF). The Melvin Jones Fellowship (MJF) is the backbone of the Lions Clubs International Foundation. Presented to those who donate US\$1,000 to LCIF or to people for whom a donation was made by others, it's a tremendous contribution to humanity and to the legacy of our founder, Melvin Jones. There are more than 440,000 MJF recipients worldwide and more than 89,000 PMJF recipients worldwide. The Melvin Jones Fellowship Program is a generous way to show commitment to the humanitarian work of LCIF. A person can be recognized additional times with a Progressive Melvin Jones Fellowship.

Almost every year the Signal Mountain Lions Club will recognize a deserving member for their humanitarian service to the club and community with a Melvin Jones or Progressive Melvin Jones Award. Recipients of these awards are listed below:

The Lindsey-Jennings Fellowship was created in honor of two of Tennessee's most prominent Lions and their commitment to humanitarian projects in Tennessee, specifically the founding of Tennessee Lions Charities and our KidSight Outreach vision screening program.

The Tennessee Lions have a unique opportunity to honor individuals who have distinguished themselves through humanitarian service in their local communities by naming them a Lindsey-Jennings Fellow. The Lindsey-Jennings Fellowship is the highest honor that the Lions of Tennessee use to recognize individuals who have demonstrated their unselfish service to mankind.

This fellowship is named in honor of two Tennessee Lions who served as International Presidents of the International Association of Lions Clubs, Edward M. Lindsey (1966-1967) and Austin P. Jennings (1988-1989). Their long, dedicated, and innovative lives of Lionistic service to humanity is an enduring profile of the Lions motto, **We Serve**.
