

ISM Central Ohio is now accepting nominations for our Board of Directors

*****Elections to be held 4/09/2018*****

Are you looking for an opportunity to embrace leadership and contribute your skills and experience to promote and expand our supply chain profession through education, certification, networking and collaboration?

We are looking for fresh ideas and enthusiastic nominees to support growth of our chapter and continue our education efforts.

Our Objectives:

- To foster the interchange of ideas through networking and professional interaction
- To share information of membership benefits regarding production, manufacturing practices, material and product uses and logistics
- To support educational needs of members and advance the supply management profession through seminars, workshops, national conferences, professional development dinner meetings and various social gatherings

Additional details:

Board of Directors: Board Members enhance/build leadership skills through facilitating meetings, coordinating speakers and collaboration on ISM event planning

Dinner meetings: September-November, February-May on the 2nd Monday of each month @ Brio Polaris

Board meetings: 4th Thursday of every month

Continuing Education: Board Members earn an additional **7 CEH's** annually.

Career: Stay current on supply chain management trends through interaction with peers
