

DIRECTIONS TO CHORRO VALLEY REGULATORS TOWN RANGE

The CCFEF/SLOSA Public Shooting facility is located on the northeast side of scenic Highway 1, approximately 12 miles west of Highway 101 (San Luis Obispo) and four miles east of Morro Bay. The Shooting Range, visible from Highway 1, is across from Hollister Peak, one in a line of unique local mountains.

Driving from San Luis Obispo, pass Camp San Luis (California National Guard base) and Cuesta College. Look for the white wooden fence on the right (NE) and turn right onto Gilardi Road. Coming from SLO, you won't be able to see the range until after you have passed the turnoff. Gilardi Road, the driveway, splits immediately to the right and left. Turn right to reach the Chorro Valley Regulators Town range.

The address for **GPS** is: 3270 Gilardi Road
San Luis Obispo, CA 93405
