KHANA CROSS CHAMPIONSHIP SERIES 2005 COMES TO AN EXCITING END

by Nancy Hester

Yes, several LSCC members were on the edge of their seats in our newest class, the combo C-6/Z06 class. Chris, JD and Steve really tore it up, while Greg, well, I'll try to be nice, let's say he got the DNF Award of the year!! That was the only really close race for the year end points contest. Chris was really sweating it out. Anyway, for the latest results, you'll have to join us at the Awards ceremony at the Dec. 3 party, and the rest will be posted on the web shortly.

Thank you to all the 60 plus racers and many volunteers. Special Thank You's go out to our most faithful and consistent volunteers: Gary Swan, Mike Krieger and Cliff VanHaren - you guys were great this year and very instrumental in making this a smooth running Khana. Also, Thank You Greg for heading it up again.

Get ready for next year's KhanaCross Championship Series 2006, maybe we'll start in Feb??

And Ladies, we missed you all this year - Joyce Brashear, come back when you can, we miss you and Rick and our thoughts are with you both. Martha? where were you? buried in drags and merchandising I'm sure. Audrey? too much road racing?? Come back everyone next year, there's room for everyone- novice or experienced, you know we'll teach you how to have a good time and handle that vette at the same time.

Thanks go out to Cedar Valley College in Lancaster for accommodating us all these years. We sure enjoy your beautiful campus and appreciate the use of your lots.

DRAG RACING 2005

By Martha Kaus

Ninety nine thousand miles on my car, ninety nine thousand miles, take on down, pass it around, still ninety nine thousand miles on my car. Do they really roll over and die at 100k? Could the odometer at least start over at one please? Ok-ok, I'm sorry, I'll get to the point!

The "Texas Muscle Car Club Challenge

Series" banquet (whew) was held Saturday night, November 12th. We scooped up our fair share of the awards. Now for some numbers (yuk),

29 clubs participated with a total of 1368 cars racing. WOW!

As a club: (winners are based on total points only)

3rd Lone Star Corvette - 397 pts - 153 cars
2.594771 pts/car avg

2nd No Tx Mustang Club - 472 pts - 472 cars
2.809524 pts/car avg

1st Cowtown Mopars - 930 pts - 330 cars
2.818182 pts/car avg

(Cowtown graciously accepted their award and stated: "Their goal for next year is to bring one thousand cars!" Oh boy, I just can't wait!)

FYI-the Extreme Corvette Club (that used to race with us) were:

10th with 84 pts, 37 cars, & 2.27027 pts/car avg.

As individual racers:

8th (which was in top ten, so he got one of those big fancy glass ones):

ALLEN KAUS with 39pts, '72 Red bored out 454 C-3 ran Pro Class (booooo, hissssss, oooooops, almost forget; it's still MY CAR!)

"Outstanding Performance" (which went to anyone with 23+ pts) were awarded to:

JIMMY O'NEAL (& pit crew), 35pts, Black Biscayne ran Electronics

MARTY HEITKOTLER with 33pts, Purplish loud Firebird ran Electronics

JIMMY NIXON with 31pts, Blue w/flames C-4 ran Factory Class

MARTHA KAUS (99k mls on my car...) 28pts Red '00 Camaro SS usually ran King Class

TIM WHEELER with 26pts, Red souped up C-3 usually ran Super Class

HERB STRINGER with 26pts, Beige also souped C-3 usually ran Super Class

JOHN GALLETTA with 25pts, Immaculate White C-5 ran Super Class

LARRY BENSON with 23pts Lt Turquoise C-1 (?) usually ran Electronics

**OK, so these are my descriptions of their cars, and I'm not liable for any errors or omissions. SO THERE!

Our club scores points differently and by class. Which means that ours come out totally different most times. We will be handing out LSCC awards at the Christmas Party. So if you don't come, it could be MINE! Tooodle-loo, I'm out of here. MK

Presidents Note

By Allen Kaus

So it's finally December. Get your votes in now! Vote wisely! If you're not sure or don't know, don't vote that position. Just skip it. How you vote, determines the direction of our club for the next year and maybe even longer. Being an officer is "fun", "prestigious", but also "accountable", "responsible". We to put our trust in these people. We have a top-notch club, let's get some quality people to run it. I would like to see some new direction for the club but not changes in the roots of the club. All I ask is, please consider each nominee and vote informed.

On the other hand, it's been a great year! All the 2005 officers have been fantastic. These are volunteer slave positions. It's hard for many of us to balance our normal lives, and then to toss this on top. I can't express enough how thankful I am to everyone for this past year. What a TEAM!

On a lighter note, the Christmas party is Saturday, December 3rd. Hope to see everyone there. My boss says "jeans".

Allen

Audrey Samuel wins her first jacket and a winner trophy at Ennis in the Texas Muscle Car Club Challenge, racing in the Super Muscle class. Audrey topped off her win in the final round beating the guy that knocked out her husband Karl, in the first round, with a Perfect Reaction Time of .000!

Lisa Jackson

Candidate for Treasurer

My name is Lisa Jackson. Darrell and I have been members of the Club for 3 years and have loved every minute. Darrell has always been crazy about sports cars, but I just like to drive fast.

We have made so many new friends in the Club, and we especially enjoy traveling on weekend trips. It's almost like our old friends have drifted away, since we only have time for our Corvette friends now!

Being nominated for a Club officer was a surprise, but I would be happy to serve if elected.

Lisa Jackson

December Meeting

By Rusty Taylor

Well, its that time of year for horse drawn sleighs, mistletoe, egg nog, christmas lights being put up on the house, dragging the decorations from the attic, but hey we at least had some cool weather.... anyway, the December meeting is on December 10 at Sneaky Petes in Lewisville.

The lunch menu is Ham I was told, and we did have turkey last month (huge turkey legs.....), lunch is at 11:30, with the meeting starting at 12:30. Please make plans to be there, as we will have the vote count for officer nominations.

See you there

Greg Hester

Candidate for President

I would first like to say how honored I am to be nominated again to run for President of the Lone Star Corvette Club. "I Accept."

When Nancy and I joined the Club about 9 years ago, the LSCC Had about 400 members and the Classic was held at the Harvey Hotel in Addison and drew around 100 cars. I got caught up in all the club and Corvette experiences and decided to step up and run for an officer position in the club. During the 6 years I was an officer, the club grew to over 1100 members and the Classic draws over 500 Corvettes from all over the Country. I am very proud to have served with such a great group of officers and countless volunteers during those crazy times. By the time I was elected President in 2003, things had started to level off and my fellow officers and I were able to spend more time looking at ways to make the club more fun for the members.

That brings us to today. The Lone Star Corvette Club has many things to be proud of. We are the largest Corvette Club in the nation, the Lone Star Classic is one of the largest all Corvette events in the country, we support many charities and have the most "Fun" of any club around. I think it is now time to recognize and thank more of our own members for their good works and participation.

As your President and with your help I would like to make "Recognition our Mission". To start, there are three things that I think will help members participation and recognition. First I would like to see a club Volunteer(s) of the Month Award. Second, a Point System that would recognize Cruise Night and Out of Town Car Show participants with Awards handed out at our Christmas Party and last but not least, a Long Distance Award to the member who traveled the most miles in a year to represent the Lone Star Corvette Club at Car Shows, Races etc.

And on that note, I'll now ask for your Vote.

"Recognition Our Mission"

Greg Hester

Business Meeting Minutes

November 12th, 2005

By Audrey Samuel, Recording Secretary

Allen Kaus, President, called the business meeting of the Lone Star Corvette Club to order. The recording secretary was present. Mr. Kaus introduced the 2005 officers.

Minutes of the Sept. and Oct. 2005 business meetings were approved.

Mr. Kaus welcomed 1 guest. Judy Garrett asked for a vote on new member applicants from Sept. and Oct. All were approved. Club membership is down to 951 members due to attrition.

Financial Officer Tim Dowding was absent. The Oct. 2005 Financial Statement will be voted on at the Dec. meeting by the membership.

Allen Kaus presented Lone Star Award to Don and Karyn Folwer for many years of successful work with the Eureka Springs Poker Run. Greg Hester received a Lone Star Award for many years of dedicated service to the club.

Steve Jones and Tom Snodgrass took final nominations for officers of the club. Elections will be held at the Dec. meeting. All ballots must be in by noon on the day of the elections!

The Club Members voted in the "Heroes for Children" as the rotating charity for 2006.

A disabled Army Sergeant was present to thank the Club for our generous donation at the Classic for "Coalition to Salute America's Heroes Texas." As a thank you he gave us awareness bracelets. Club members at the meeting responded with spontaneous donations.

The Christmas Party sign-up sheet was there for a final time. The party will take place on December 3rd at Young Chevrolet. Young will be providing the meat, the club members will bring potluck for the side dishes and desserts with BYOB and a DJ.

Members are to bring a new unwrapped toy for "Toys for Tots" in lieu of the white elephant gift.

83 members were present at this meeting. The next meeting will be Dec. 10th at Sneaky Pete's.

Allen Kaus adjourned the business meeting.

Election of 2006 Officers

The ballots for the 2006 slate of officers are enclosed. Please make your selections and return by mail or bring your ballot to Steve Jones or Tom Snodgrass at the December club meeting. Ballots will be accepted up until 12 noon on the day of the meeting. The noon deadline is to ensure that we have enough time to compile the votes and announce the results at the meeting.

Here Are 4 Things You Don't Want To Miss !

Christmas Party

The LSCC XMAS Party will take place on Saturday evening, 12/3 at Young Chevrolet. BYOB and designated driver, per Greg Hester. This year instead of having the White Elephant gift exchange, everyone is asked to bring an unwrapped toy for the annual Toy Run (see below) between Dallas and Arlington on Sunday 12/18/05.

Car Show

Curt Troster is planning a car show to be held on Saturday 12/3/05 at Cruisers in Frisco, which is located just North of the 289 and 121 exchange. The proceeds of the car show will benefit a young boy that has recently died from brain cancer.

Toy Run

Curt Troster is making plans for LSCC to once again run the back door for the Harley's during the annual Toy Run between Dallas and Arlington on Sunday 12/18/05. Curt said we'll need a lot Corvettes this year to haul the toys from the LSCC XMAS Party to the Arlington Convention Center. If you've never participated in this event, it's a ton of fun and you don't have to worry about the cops.

First Trip Of 2006

EC (That would be Ed Clark), has the first trip planned for 2006: A trip to Riskey's BBQ in the Ft. Worth Stockyards. We will eat an early lunch there and afterwards (11:30) we will see the "running of the longhorns" down Exchange Ave. We will meet on Saturday, January 21 @ Texas Motor Speedway @ 9:00 and leave about 9:30.

We should arrive about 10:00 and can sit down to eat lunch about 10:15. We should be thru about 11:15 in time to see the longhorns run. You probably should have an EARLY breakfast since we will be eating lunch early.

Lisa Paton

Candidate for Financial Officer

Hello, My name is Lisa Paton, and I was nominated for Financial Officer. Although, I am honored to be nominated, Tim Dowding, our current Financial officer, is doing a Great Job. So, please vote for him again this year. I am a Blonde CPA, and am not to be trusted!!

Sincerely, Lisa Paton

Karl Samuel

Candidate for President

My name is Karl Samuel and I'm running for the office of President of LSCC. My wife Audrey and I joined LSCC in 2003 and we have participated in a wide range of club activities including club organized trips, car shows and racing. The trips we have taken with the club include the 50th Anniversary National Corvette Caravan to Nashville/Bowling Green in 2003 and the club trip to the National Corvette Museum in April 2005. I have participated in the car shows for the LSCC Classic in 2004 and 2005. I have participated in the club organized khanacross, drag racing, and open road racing events. I have been a volunteer for the LSCC Classic in 2004 and 2005. Audrey and I are Lifetime Members (# 1469) of the National Corvette Museum. My qualifications include being the LSCC Competitive Events Officer for 2005 which gave me insight to the inner workings of the club. I believe in preserving the past, supporting the present, and envisioning the future of LSCC and Corvette the great American sports car. My motto is "Let's just have fun" because that is what a Corvette club and owning a Corvette are all about.

Cary Conwell

Candidate for Vice President

Since joining the Lone Star Corvette Club nearly four years ago, my involvement with the club has truly been one of the most wonderful experiences for both myself and my wife Sandy. I have had a love affair with the Corvette since my youth and owned my first Corvette over 25 years earlier, however, we had never joined a Corvette club until LSCC in April, 2002. Since joining the club we have begun to enjoy the Corvette experience not so much only for the car but for also for the comradeship we have experienced with so many wonderful people in this great car club.

Although I have not been a LSCC member for a very long time, I have been the club's Treasurer the past two years. I had considered taking off a year after my 2 year term expires this December, but since being nominated for the Vice President's position I've decided I'd run again for the V.P. officer position. I truly enjoy my involvement with this club and feel compelled to assist in anyway I can. Although our club currently has an excellent incumbent V.P. who can, and is, running for his second year, I think at this officer level we should have more than one candidate for the LSCC voters to consider so I am going to run. Should I not be elected both my wife (who is currently running for the office of recording secretary!) and I will continue to serve as volunteers at the Classic and Eureka Springs where needed. Thank you for your consideration of me for this important office.

Cary Conwell

Rusty Taylor

Candidate for Vice President

I have been with the LSCC now for 4 yrs, and thoroughly enjoy the activities and everyone in the LSCC. As most of you know, I am a police officer with the Farmers Branch PD for 17yrs, and I have been in law enforcement for 21 yrs. I have been your vice president for 2005, and I have learned a lot about the inter working of the LSCC. It is a lot of work, but I have enjoyed it also.

I have received a lot of input and suggestions from the LSCC members, and I will continue to serve you, LSCC members if elected as your vice president.

I just want to thank you the membership of LSCC, for letting me serve you as your vice president.

Audrey Samuel

Candidate for Recording Secretary

Hi, I'm Audrey Samuel and I'm once again running for Recording Secretary for my second term. I'm not sure that I did the best job ever, but at least I tried. As you know I have participated in all of the Competitive Events, and excel in some of those venues. I'm still a rookie as a racer and an officer and have a lot to learn. As some of you well know I'm not a computer person, they drive me crazy. With the help of my husband Karl, I get by. It is a long way from Weatherford to go to the officers meetings that start at 9:30 am before the Club meeting, so I have to be somewhat committed (I'm not an early bird). If elected again I will try to do the best job I can and hopefully not burden Karl too much with my computer foul-ups.

Judy Garrett

Candidate for Treasurer

Terry and I have been in the Club now for almost 5 years. We enjoy many of the events this great club has to offer. After being your Membership Officer for two years, I got addicted to being actively involved in the inner workings of the Lone Star Corvette Club and am sorry that my term is up. It has been very rewarding to welcome our new and old members by having the Membership desk one of the first stops when members or visitors enter a meeting; to answer questions, update database info, and take your membership dues or sign up new members. Wanting to stay involved is one reason why I would like to be your Treasurer. Taking good care of the Club's funds by making timely deposits, keeping accurate records and communication with the Financial Officer are important to the Club's success and my accounting background and attention to detail will enable me to do just that. It takes all of us being involved either by volunteering or running for office to keep LSCC growing and prospering. I'd appreciate your vote.

Sandy Conwell

Candidate for Recording Secretary

It was my husband Cary's idea to join a Corvette Club when he bought another Corvette (after many years without) in Spring 2002. It is his hobby, his stress-buster. But I should have known after 38 years of marriage and countless visits to car lots, that his interest would also be mine. I do love Corvettes and I do enjoy the camaraderie and special fellowship of being a Club member. That is the number one criteria of being an officer—or a volunteer in any capacity!

The second consideration is qualification. Although I am currently "in retirement" and enjoying being a grandmother, I was in the workforce for over 17 years altogether. My primary skills were in administration and management. I am very organized and detail oriented, self-motivated and responsible. I have acted as the recording secretary for the board of directors at an insurance/real estate company as well as for the executive credit policy review committee at a bank. I do whatever it takes to get the job done, and try to have some fun doing it.

This is sounding more like a resume now! I certainly don't need a job! But I would enjoy being the Club's recording secretary and working with fellow officers to help make the Lone Star Corvette Club the best that it can be. Thank you for your consideration.

Lou Opiare

Candidate for Communications Officer

Since March of 2000 my wife Pam and I have enjoyed numerous hours of fun and pleasurable company all provided by the Lone Star Corvette Club.

I consider serving as Communications Officer an opportunity to give back to the LSCC for those experiences and to insure that they continue.

Our by laws state that the duties of the Communications Officer include the Management of the Website and Publishing of the Membership directory as well as maintaining our contact with those organizations and groups that benefit our club. I believe I can contribute greatly to this position.

Currently I design, manage and administer websites and databases for my company's event marketing programs, which also include developing and maintaining contacts with those outside organizations and vendors that facilitate this. In addition to my professional set of skills I developed and managed the registration tool successfully utilized at Classics XIII thru XVII, which necessitated becoming familiar with the LSCC's Information Databases that are used for the directory.

Ed Clark

Candidate for Recreational Events Officer

I planned cruises for NCRS for about 4 years. Have planned 3 cruises for LSCC to Albany, TX to the "General Merchandise & BeeHive Saloon" which is listed as "The best steak house in a small town in Texas" by Texas Monthly. I believe that DRIVING your Corvette is 90% of the fun in owning one.....

David Robbins

Candidate for Competitive Events

Officer

Please allow me to introduce myself. My name is David Robbins and I am running for the office of Competitive Events Officer for 2006.

I have been an active member of the Lone Star Corvette Club since June 2000. I have owned my Black 1981 Coupe for 17 years. Before the 81, I owned a 1970 LT1 Coupe for 12 years. I like C-3's. I have participated in all competitive events, with the exception of Drag Racing, However I was a Drag Racer, cars and bikes, in the 60's and 70's. I am currently involved with the

Open Road Racers group and the Khana Cross Racers group and I sometimes get #81 cleaned up enough to put it in a show or two during the year.

I think I would make a good Competitive Events Officer for 2006, I hope you do as well. Please Vote for Me.

Curt Troster

Candidate for Competitive Events

Officer

Hello, my name is Curt Troster and I have been nominated for Competitive Events Officer.

Thank you very much Nancy.

I have been in LSCC for 4 years of which the last 2 have been Cruise Nights Coordinator. I plan on keeping this position no matter what happens with the election because I love going to car shows and just talking to people about their cars, no matter what make. I have always been a car nut. I drive (not trailer) a 91 ZR-1 and we bought my wife Sharon an 04 Commemorative Coupe last year for our 25th anniversary. We both love to go on trips, dinner cruises and other gatherings with the club. I would love to take my car some day on one of the open road races. I f elected I look forward to working with the other coordinators and trying to get more people involved with the club.

Randy Ehler

Candidate for Newsletter Editor

My name is Randy Ehler and I would like to thank you all for considering me for the office of Newsletter editor, a nomination I take as a huge compliment.

When the Vette bug bit my wife and I back in 1999, we quickly discovered that there was an entire lifestyle affiliated with it. We attended our first Classic in 2000 and discovered the best thing about the lifestyle is that it includes a huge family. We met so many great people who made us feel so welcome that we had to join and become a part of the Lone Star family. Over the past five years I've had the pleasure of getting to know so many of you and having fun touring, showing, racing, and most of all talking Vettes. I would like to take this opportunity to serve as an officer and give back to the family that's given so much to me.

Over the years I've come to depend upon the newsletter as not only my monthly planner helping me plan my free time with my family; but also as a way to keep up on the latest happenings I couldn't attend. As newsletter editor it would be my goal to continue the excellence already established in keeping members informed about club functions and activities. It would be my hope that I can also help to make all members feel connected and part of the Lone Star family.

Randee Ehler

Candidate for Membership Officer

My name is Randee Ehler. I'm the other half to Randy Ehler.

We have been LSCC members for 5 years. When my husband told me he test drove a 1999 Corvette Coupe and he wanted to buy one, I thought he was NUTS! Then I test drove it! I've been in love ever since! We bought Dante, a 1999 Navy Metallic Blue Coupe in May of 1999. Of course, I drive it! Since I was not sharing very well, we bought Mercury, a 2003 Yellow Z06 a few years back. I have always enjoyed LSCC functions. Whether it is a Khana, a car show, or just a social meeting, I've always enjoyed the company of fellow Corvette Nuts! This club has so many great people in it. When we first started coming to meetings, someone always made sure we were not alone! Soon, I started helping with greeting new members and started volunteering for all kinds of activities. Now, it is time for me to take on more responsibility, so I'm running for Membership Officer. I would love to take this opportunity to give back to the club and its members!

Tim Dowding

Candidate for Financial Officer

Thank you for giving me the opportunity this year to give something back to the LSCC by serving you as your 2005 Financial Officer and for considering me for the position of 2006 Financial Officer. During 2005 I had the opportunity to work with a group of LSCC Officers that were truly dedicated to the LSCC.

Shirley and I have been LSCC members for 7 years and have enjoyed participating in the Drag Racing, Car Shows, Dinner Cruises and the Classics. Most of all we've enjoyed the members.

If re-elected I will be honored to again serve the members of the LSCC.
