Whitesboro Peanut Festival

by **Linda Shelberg**

Officially, the name of the event is the Whitesboro Peanut Festival, but to LSCC members it's "when Johnny invites us over for hamburgers." More than 30 Corvette lovers converged on Whitesboro on a beautiful Fall day in October to peruse peanut products, watch the parade, and show off their cars. Lone Star participants were greeted at the park where the car show was held by none other than our own Dayton Hawkins, who lives right across the street!

The highlight of the day was after the car show, when Johnny and Edie Downs invited everyone to their home for hamburgers and all the fixins'. And let's just say, beer was drunk and wine was sipped. If you can think of a better way to spend a Saturday than sitting in the shade, eating good food and enjoying 'Vette talk, let us know, ok?

Of course, LSCC took their fair share of the car show trophies home (maybe a little more than a fair share).

The results were:

- '50's Car Original Winner
 Johnny & Edie Downs
- '70's Car Original Runner-Up
 Dayton Hawkins
- '80's Car Original Runner-Up
 Bud Graham
- '80's Car Original Winner
 Phil & Kristina Davies

- '90's Car Original Runner-Up
 Bob & Jean Young
- '90's Car Original Winner
 Curt & Sharon Troster
- '00's Car Original Runner-Up
 Amanda Opipare
- '00's Car Original Runner-Up
 Robert & Linda Shellberg
- '00's Car Original Runner-Up
 John & Beverly Noah
- '00's Car Original Runner-Up
 Larry Goff
- '60's Car Modified Runner-Up
 Scott & Keri Downs
- '90's Car Modified Winner
 Lila Gay Goff
- '00's Car Modified Winner
 Jim & Ginny Carter
- Best Paint Lila Gay Goff

It was a great day with great friends! Thanks again to Johnny and Edie for feeding the hungry throng!! We hope we behaved ourselves well enough to be invited back next year.

by **Judy Garrett**

The holidays are my favorite time of the year! We hope you all had a wonderful Thanksgiving! All the decorating, shopping, baking, parties and excitement not to mention our everyday responsibilities keep us on the run non stop. In the rush, we try not to forget the reason for the season and take time to reflect and be thankful for our families and friends.

You will be receiving your election ballots with your December newsletter. Please take a few minutes to vote for next year's officers and either mail it back or better yet bring it to the meeting December 13.

Terry and I wish you and yours a most Blessed Christmas and a Happy New Year!

November Business

Meeting Minutes

by Ken Hill

Judy Garrett, President, called the business meeting of the Lone Star Corvette Club to order. She introduced the 2008 Club of officers.

Ken Hill read the minutes of the Oct. meeting as most members had not yet received their Nov. newsletter. He asked for a motion to approve those minutes. The motion was seconded and approved.

Judy welcomed 7 guests. Amanda Opihare asked for a motion to approve new members as published in the Nov. newsletter. The motion was seconded and approved. She announced we now have 571 memberships with 972 members.

Lisa Jackson reported that the club has \$5928 in checking, \$11,009 in raffle account plus our \$10,733 high yield CD. She asked for a motion to approve the treasurer's report. It was seconded and all approved. Tom Snodgrass then opened the floor for nominations for the 2009 officers' positions. He said that the ballots will be mailed out in time for voting to be counted at the Dec. meeting.

Judy announced that a check for \$16,700 was given by our club to the Children's Speedway charity.

Judy also announced that Phillip Pitalo has been named coordinator for the Dallas/Ft. Worth National Corvette Restoration Society (NCRS).

Judy asked for those who have birthdays for Nov. to stand. We sang Happy Birthday and offered cake to all.

Judy then adjourned the business meeting.

2009 Caravan

Important news! All our rooms in Bowling Green are taken. If you are considering participation in the caravan, please contact me and I will put you on the waiting list for a room. With over 60 rooms reserved, we will undoubtedly have a number of cancellations.

If you have not registered for the caravan, do so now. The only way you will get up to date information concerning the caravan is to be registered. Go to corvettemuseum.com. Under events, click on 2009 National Corvette Caravan to register. LSCC is in the CENTRAL TEXAS caravan.

While you are on the caravan section, go to states and click on Central Texas. Get the itinerary and hotel information from our own Linda Walker. Make your reservations for Oklahoma City and Little Rock as instructed on this page.

Christmas Gifts

It is still not too late to order that unique gift for Christmas. Some possibilities I mentioned last month include the following:

A huge variety of Corvette and NCM apparel and caps are available online through the store. Other unique gifts include the die cast model of the new ZR1, plus a full line of other collectible die casts and promo Corvettes.

Perhaps the most unique gift available from the Museum is an "original" build sheet for 2002 - 2009 Corvettes. These are original, tattered and worn from use in assembly at the factory. Contact the Resource Center at 800/53-VETTE to see if your car's sheet is available. If your original is not available you might consider an exact copy of your build sheet or window sticker. These are available for 1981 - present.

Nominee Bio

by **President - Judy Garrett**

Terry and I have been members of LSCC for six years now and have enjoyed every minute of it. I knew after our first few meetings that I wanted to be more involved in the club and so ran for membership when I became eligible. After being elected Membership twice, then Treasurer twice, you elected me President. This past year has been a learning experience for me; you can more likely find me working behind the scenes not out in front. That part is getting a little easier! If reelected, I will continue to keep the best interests of the Club at the forefront by keeping an open mind for new ideas, making sound financial decisions and cultivating our relationship with our sponsor Young Chevrolet. Being fair, accessible, organized and a good listener enable me to help the Club. I would be honored to be your President again. Thank you.

Nominee Bio

by **Financial Officer - Kelly Davis**

Kelly Davis would like to be your Financial Officer.

I am currently a Vice President at UT Arlington.

I am a Certified Public Accountant.

I am married to fellow club member Don Davis and have two children who are smarter than me (go figure!).

I have owned Five Corvettes in my life. (We currently have two).

I've owned Corvettes for 12 years.

I have been racing Corvettes for the past 8 years.

I enjoy helping the LSCC.

I have belonged to Two Corvette clubs and have an understanding of how they work.

I have been working as the Financial Officer in the Lone Star Corvette Club since February 2008.

I'm very willing to attend Board Meetings and work for our Club.

I would appreciate your consideration and vote. Thank you!

Nominee Bio

by **President - Nancy Hester**

Thanks so much for the nomination for President. I'm honored you thought of me as someone qualified and even more importantly willing to handle this position. I have volunteered for something every year that I've been involved with LSCC (about 12 years). I've done everything from Competitive Events Officer to '08 Classic Officer, KhanaCross Coordinator (many years) and Classic Auction Coordinator (many years). I'm not bragging, I do it to ensure my (and your) Corvette Fun. I would like to just encourage other members to step up, be willing and start (or keep on) volunteering-that's how I've made a ton of friends and had so much fun, while taking care of business at the same time. I hope all members will be more willing to volunteer so you all can continue doing whatever it is you love to do in your Corvettes, in YOUR club. Two of my favorite Corvette activities include the Lone Star Corvette Classic and the KhanaCross and that is what I've committed myself to in 2009, not being your President. I hope next year, with this size club, we have at least two nominees for every position, which is why I accepted the nomination and ran for President anyway. (Oh yeah, vote for Greg again for Classic Officer and Judy again for President!) So Thank You and Good Luck to all nominees! Nancy

Nominee Bio

by Vice - President - Linda Shellberg

When I told people I had accepted the nomination for VP of Lone Star Corvette Club, here are some of the reactions I got:

“So is your campaign slogan ‘Vote for Linda, You Won’t Be Short-Changed’ ‘Cool, you’re a girl and you drive a stick shift!’

And my favorite, from Bev Noah, “Were you drunk?”

Of course, that got me to thinking about why I want to be an officer, and I realized that I love this club, I care about its future, and I really treasure the friendships Robert and I have made in LSCC. I want to give back some of what I have received from being a member of the biggest and best Corvette club in the US.

Robert and I joined LSCC in December of 2000, after spending almost 2 years restoring our 1982 Coupe. We volunteered for our first Classic in May of the next year, and became Coordinators the following year. In 2003, our coupe was selected as the 1982 Representative in the National Corvette Museum 50th Anniversary Evolution Display, and in that same year we became Lifetime Members of the NCM. In October of 2006, we took delivery of “The Red Rocket”, our 2007 convertible, at the Museum.

My experience in working on club events includes:

8 years as Classic Coordinator for Parking, which includes liaison with other Corvette Clubs

1 year as Classic Coordinator for the Hooter Girls (I had to beat out a lot of guys for that! However, the name HooterNanny fits me better)

2009 Caravan Co-Captain

5 years volunteering for Dallas AutoRama, Dallas New Car Show, and the Ft Worth Rod & Custom Show

Leading or Co-Leading 3 Caravans (Flagstaff, Biltmore, Hot Springs)

In other organizations I have served as:
2 years as Charitable Contributions Committee head – Brinker International

5 years as merchandise sales coordinator, Chili’s 5K Run

Treasurer, Relay for the Cure fund-raising event

I hope you’ll vote for me. If you do, I promise, just like Don Davis did last year, not to drink any more than my share of the beer! But, all bets are off if anyone brings Mike’s Hard Lemonade!

Membership Officer – Amanda Opipare
Serving a second term as the LSCC Membership Officer in 2009 would be a wonderful opportunity for me to give back to the current members and the future members of this club. I greatly enjoy meeting potential new members and greeting current members at meetings as well as doing what I can to answer any questions that they may have. I have done my best this year to stay very organized as the Membership Officer and be prompt in keeping members informed of when their annual dues need to be renewed as well as getting new members their information packets and returning members their membership cards. I would be very happy to have the opportunity to continue serving as the LSCC Membership Officer in 2009.

Nominee Bio

by Treasurer - Lisa Jackson

Darrell and I have been members of Lone Star Corvette Club for the past 5 years. We have loved every minute of it and have made so many new friends. I have been the club Treasurer for 2008 and it would be my pleasure to serve again in 2009. VOTE for LISA!

Nominee Bio

by Treasurer - Sharon Troster

Hi, My name is Sharon Troster and I am running for Treasurer. I have been a LSCC member for seven years. For those who don't me I am Curtis Troster's better half. We have enjoyed hours of fun, new activities, new adventures and believe me there has been a lot. Without LSCC we would have never been able to experience these things. I have met lots of new people and seen some old faces that we knew before we had any vettes. But what I enjoy most about this club is how every one comes together for the charities that we support. So it would be an honor to be considered for the position. And as my hobby I will continue to try to drive fast and not get caught.

Nominee Bio

by Communications - Lou Opiare

I consider serving as Communications Officer an opportunity to give back to the LSCC. After serving two terms as Vice President and three previous terms as Communications Officer, as well as being heavily involved in the Lone Star Corvette Classic since 2000, I am extremely familiar with all aspects of the LSCC especially the website which is currently in a state of flux. Our by laws state that the duties of the Communications Officer include the overall administration and management of the Website. Currently I design, manage and administer websites and databases for my company's marketing programs, which also includes developing and maintaining contacts with those outside organizations and vendors that facilitate this. This gives me a unique comprehensive overall perspective as we make the conversion to a new hosting site and reconfigure the site to utilize the new content management software.

Nominee Bio

by Communications - Kay McDonald

Thank you for considering me for the position of Communications Officer. While this will be my first board position with LSCC, I've served many board positions of other organizations that I believe in, and I fully believe in LSCC! It's a great club, filled with many wonderful friends (members).

My sports car background includes having a corvette as a driver for over 15 years (currently on corvette #3). I've been a "bow tie" owner all of my driving life and was even on a stock car pit crew when I was younger!

The contributions I bring to the LSCC table as Communications Officer are:

1. Several years of experience in communications medium (print, audio, electronic, and multi-media).
2. A proven track record of expanding the scope and exposure of the organizations that I have held various board positions in.
3. As YOUR Communications Officer, I will do my best to attend the board meetings, various work sessions, and to help others as best I can.

I will also work with those involved directly in areas such as the website, other communication formats, and in promoting the LSCC - as I will be bringing a fresh set of ideas to the table from which we can grow and expand LSCC with!

I appreciate your vote...

Nominee Bio

by **Rec. Events - Craig Satterfield**

I have been a member of LSCC for five years and have been more active each year because I realize that a Club is based not only on the Corvette, but on the people that enjoy them. I am honored to be nominated as LSCC Recreational Events Officer and will uphold the high standards of the Lot Lizards Club (there are no standards). With my vast experience in culinary and liquid consumption control, both here and abroad (outside Texas), along with the navigating and driving expertise of my running mate, Laura, we will offer fun, exciting and educational tours of the region, while enjoying our Corvettes and the people who love them. —Craig Satterfield, LSCC, NCM, LLCC, BYOB, RSVP, LOL

Hello everyone.

As you know it is once again time to elect our officers for the coming year.

I am fortunate enough to have been nominated to serve our club as newsletter editor and would ask for your support and vote. The opportunity to assist in bringing our clubs news and event highlights to our membership is lots of work but also lots of fun.

I will try to continue the fine job Randee has done over the past two years.

Thanks

by Newsletter Editor - Bob Young

Jean and I have been members of the club since 2004. We're both retired. We have a '58 C1 and recently bought a '99 C5. The C5 has enabled us to participate in a lot more club events and, as a result, appreciate our membership even more. I have been looking for ways to contribute more to the club.

I've been involved with desktop publishing for many years. In the past, I put this experience to good use by creating business plans and marketing materials for three business startups. In the future I would like to put it to work as Editor of LSCC's newsletter. With the retirement of Randy Ehler, there are some very big shoes to fill. If elected, I will do my best to continue to meet the high standards that have been set for the publication and look for ways to make it even better. Thank you for your consideration.

by Classic Officer 2010 - Greg Hester

Thank You for the opportunity to be Classic Officer for another year. For those of you that know me, you know what your getting. For those who don't know me, my wife and I have been members of the LSCC for over 11 years and I have served 9 of those years as an officer of the LSCC, including 4 years as President. Over those years, I forged many relationships with Texas Motor Speedway, General Motors, the Classic host hotel and others that have proved invaluable to the success of The Classic. Because of my relationships and involvement in the past 11 Classics, with your help we can make Classic 21 (2010) the Best Classic Ever. I really appreciate your vote and really appreciate the volunteers that make the Classic a success. Greg "I can't Drive 55!"

Nominee Bio

by Classic Officer 2010 - Bryan Baines

The Lone Star Corvette Classic is more than just another car show. It is a celebration of everything that a Corvette can do. From the exhilaration of driving fast around the race track, to the serenity of driving slow on a midnight cruise; from looking pristine under the spotlight, to squealing the tires around a set of cones; the Corvette does it all. It is the duty of the Classic Officer to understand these qualities and accentuate them in a world class car show, and I believe that I am up for the challenge. I am young and full of fresh ideas to make this car show an experience for participant and guest alike. I have already begun to brainstorm ideas and research possibilities. I have been listening to your requests and establishing good relationships with other Corvette clubs. Of course leading a group of coordinators and volunteers will be no small task once the plans for the show are finalized. I have always been a leader, beginning with my Eagle Scout training as a teen, as well as being a leader within many other groups, but leading also means listening to the concerns of the group and expanding on your ideas. I believe I am more than qualified and experienced for the task. With your help, I believe that we can make this the best classic ever. (My name is Bryan Baines, and I approve this message)
