Push for June 30 To Be Declared National Day of Recognition for Corvette

Mid America Motorworks Behind Grassroots Movement To Celebrate The Birthday of America's Sports Car

EFFINGHAM, IL – Long a supporter of the Corvette hobby and creator of “Drive Your Corvette To Work Day”, Mid America Motorworks has petitioned the United States Congress to declare June 30th a National Day of Recognition for Corvette - America's First Sports Car. The Corvette first rolled off a Flint, Michigan assembly line on June 30, 1953. The petition is being presented by United States Congressman John Shimkus (R-Illinois). All Corvette enthusiasts are urged to contact their U.S. Congressional Representatives to pass this resolution.

“As the longest running, most widely respected production sports car in United States history, the Chevrolet Corvette is more than a material possession. It is truly a symbol of American pride. For this reason Mid America Motorworks is launching a grassroots movement to honor America's True Sports Car with a National Day of Recognition.” said Mike Yager, Chief Cheerleader and founder of Mid America Motorworks, the world's leading supplier of Corvette parts and accessories.

Mid America Motorworks has a history of creating national movements to honor the Corvette. In June of 2001, Mid America Motorworks created *Drive Your Corvette To Work Day* as an annual event to celebrate Corvette's Birthday on the Friday closest to June 30. On Friday, June 27th 2008, thousands of Corvette lovers will drive their Corvette to work to participate in the 8th annual event.

In September of 2001, Mid America Motorworks orchestrated a massive grassroots movement, called the Corvette Stampede, to petition the United States Post Office to create a Corvette Stamp. The stamp was to honor of the 50th Anniversary of Corvette. Finally released in 2005, the USPS debuted the stamp at Mid America Motorworks Corvette Funfest.

This year, as GM celebrates its 100th anniversary in 2008, a National Day of Recognition is a fitting tribute to Corvette – GM's greatest contribution to the automotive industry. Every Corvette owner is encouraged to petition his or her congressional representative to pass the resolution declaring June 30th as a National Day of Recognition for Corvette. For more information go to www.mamotorworks.com/corvette or call 800-500-1500.

President's Message

by **Judy Garrett**

Thanks to all who attended the January meeting at Sneaky Pete's. Even though it was a cold, cloudy day we still had 56 Corvettes in the parking lot! We are all ready to get out and about and have some Corvette fun!

There are tons of events coming up to attend and participate in. For instance, in February, we have the club meeting on the 9th, the Dallas Autorama and the Fort Worth Rod and Custom Show for starters. Be sure to volunteer for a little while at these events to represent the Club, show off our Vettes, sell some raffle tickets and see some really cool cars!

It was brought to my attention that this really big year for LSCC. We are 25 years old in 2008! This calls for a celebration! We will have to plan something special for this year to mark such a milestone. Any ideas? Of course giving away a brand new Corvette is not a bad way to start.

Remember, at the February meeting we will be voting on our one rotating charity for 2008. Bring your nominations. Our permanent charities are The National Corvette Museum and the Speedway Children's Charities. We also give a scholarship to the Cedar Valley College Automotive program which is separate from our charities.

See you at the February meeting!

Let's make it great in 2008!

Judy Garrett

From the Vice Presidents's Corner

by **Lou Opihare**

The meeting at Sneaky Pete's was great and it appears we are off to a great start for 2008.

Remember that the LSCC offers something for all Corvetters' Khana, Drag Racing, Open Road Racing, Cruises to popular local spots, Vacations with the out of town trips and one day recreational events.

Remember we can't do all of this without lots of folks who volunteer to help out. So get involved, this is your club, get out there, volunteer, participate and enjoy your Corvette, you've earned it.

**AND ONE MORE TIME
LET'S GET OUT THERE AND SELL
THOSE RAFFLE TICKETS!**

Now for our February meeting:

The LSCC Meeting for February 2008 will be held on Saturday February 9th 2008 at Cantina Laredo in Grapevine.

Meet and greet officially begins at 11:30 AM with the meeting beginning at 12:30 PM. Lunch will be available from Cantina Laredo's great menu so come on out and join the fun.

Cantina Laredo in Grapevine is located at the Hall Johnson Rd. exit of SH121, (817-358-0505).

For those coming from Dallas side take 635 West toward the airport and then 114 West then 121 South and exit at Hall Johnson which is the first exit after the SH360 interchange. Cantina Laredo is located on your right just after the traffic light.

For those coming from Fort Worth take 183 East to 121 North and exit at Hall Johnson Rd make the appropriate U-turn under 121. Cantina Laredo is located on the service road just to your right.

December Business Meeting Minutes

by Jean Hill

Judy Garrett, President, called the business meeting of the Lone Star Corvette Club to order. She introduced the 2008 Club officers. Ken Hill asked for a motion to approve the December minutes as published on the website. The motion was seconded and approved.

Judy Garrett welcomed twelve guests. Amanda Opihare asked for a motion to approve new members as published in the December newsletter. The motion was seconded and approved. John Glennie, Financial officer, gave a summary report dated December, 2007 showing total assets of \$37,646.24.

Dallas Autorama

by Johnny Downs

HELP! We're desperate for volunteers to man our display at the Dallas Autorama this month. We need people for Saturday night, the 16th and Sunday afternoon the 17th. We could also use a few more folks Friday night.

Volunteers will work two hour shifts. We will be offering our Corvette raffle tickets for sale. Admission cost will be reimbursed to you by the club. See a great car show, get in free and help your club.

To volunteer call Johnny Downs, 214/384-8565, or Ken Smith 214/704-7374.

NCM News

by Johnny Downs

Great news this month! We had club members who upgraded their museum memberships. A big thank you goes to:

Craig &
Laura Satterfield Family Lifetime
Ernie Perkins Senior Lifetime

Think about joining these folks. You get a "Lone Star" discount and if you are currently a member, you get credit for your original membership fee.

2009 Caravan:

This is the last call. If you are considering the 2009 Corvette Caravan, this is very important. The 47,000 square foot expansion of the National Corvette Museum is scheduled for a grand opening at the 2009 15th Anniversary Caravan. This will make the 2009 caravan a huge event. Lodging in Bowling Green will be very difficult to obtain. With that in mind, we have a promise of a block of rooms. They will be made available during a short period this spring. You will have to be registered for the caravan to get a room. Caravan registration is open now. Go to Corvettemuseum.com, click on events, then 2009 Caravan to register. When you have registered I need your registration number by the end of this month to put you on the room list.

C5/C6 Bash:

The 11th annual C5/C6 Bash scheduled for April 24 - 26 is the first event of the season and you don't want to miss what is in store. Be a part of the ground breaking ceremony in recognition of the Museum's 47,000 square-foot expansion, participate in the Z06 "ride and drive" for fun, autograph sessions, celebrity choice car show, and have all the fun you could expect at the Bash!

Plus, it is probably a good bet you will be able to get your first look, touch and "sit in" one of the new 620 HP ZR1. You can register online @www.corvettemuseum.com.

On the Road

by Johnny Downs

It's getting close to time for our first out of town trip of the year. Out of town events are the best way to create or renew friendships with other LSCC members, and in many cases, with members of other Corvette clubs.

We caravan in groups of two to fifty or more cars to most of these events. Corvettes towed on trailers are welcome to participate.

Most of the out of town events are Corvette shows put on by other Corvette clubs. These competitions are low key. A good washing and vacuuming is normally all that is necessary. Most of the show time is spent enjoying each other's company.

The other type of destination is the large nationally known events such as Bloomington Gold, National Corvette Caravan or National Corvette Museum events. Activities include seminars, vendors, tours, special displays, driving events and almost anything relating to Corvettes.

A list of most of our planned out of town events follows this article, so you can mark your calendar. If I missed one, or there is a new event we need to add, let me know.

Our "big" trip this year is to "Corvettes At The Biltmore" in Asheville, North Carolina, with a stop at the National Corvette Museum. Please read about this trip below and let me know if you are interested. I need an approximate count for planning.

NEWS FLASH! I just received an e-mail notifying me that the Corvettes at the Biltmore has been moved to one week earlier. The revised trip dates are November 4 - 9.

One last bit of news, for those of you who usually make the drive down to Killeen for the Texas Corvette and Chevy Expo. It will not be held as usual in mid-March. They lost that date at the events center. It will probably be held in April. When they let me know, you will know.
