The Big Texas Toy Run

By Curt Troster

55,000 motorcycles, 40 Corvettes, and a ton of toys, that was this years 20th Annual Big Texas Toy Run. The weather was perfect. The rolling roadblock on I30 went perfect, with a few Nascar moves to block out unwanted vehicles. There was a group of Lightning and Harley Davidson pickups to keep the irate traffic off our rears. We even got up front VIP parking when we arrived at the Arlington Convention Center with our Corvette sleighs full of toys.

It's a sight you have to see. A line of motorcycles stretching from Ft. Worth to Dallas, and this year including a large group of cycles from Grapevine also. The sides and bridges of I30 are lined with holiday well-wishers. There were 2 eighteen-wheelers loaded with bicycles, and a pile of toys you wouldn't believe. We even met a few Corvette owners who rode their motorcycles interested in our club. All in all it was fun day filled with Holiday Cheer. Thanks to all who participated.

Steve Jones can't figure out how to get 6 of Santa's helpers into the 'Vette, the snowman was the first to go

Presidents Message

By Greg Hester

"Get Your Kicks in 2006"

I would like to start my first article by wishing everyone a Happy and Prosperous New Year! I would also like to thank all the candidates and the election committee for their participation in the LSCC Officer elections.

The other officers and I are very excited about the coming year. I am committed to increasing recognition and participation of the LSCC family and should have details about the new "recognition point system" soon. We appreciate our volunteers and are proud of our member participation at our many events, and there's always allot to choose from.

So now is the time to clean, tweek and modify and get ready to "Get Your Kicks In 2006."

Albany, TX Trip

By Ed Clark

It's that time again ..we are planning to go to Albany,(Tx) on the Saturday morning of March 18, 2006. This has proved to be a great EATING & CRUISING trip as we spend Saturday nite in Albany and eat at the BEEHIVE SALOON. The menu offered is a 10oz filet or pecan encrusted trout. Both are the best I have ever had. Don't take my word for it, ask anyone that has been on this trip.

NEW PROGRAM: ..we are limited to 25 cars (50 people), So, first come , first served. There will be a sign up sheet at the January meeting, so, If you want to go, be aware of this limit. There will be a waiting list for those who sign in late. There is always some one that has to cancel. You will have to make your own hotel reservation for Saturday nite.. The phone number is 888-525-2269.

TAKE NOTE: on March 11, there is a 25% cancel fee. If you cancel 36 hours before March 18.. the cancellation fee is 100%. Not my rule, its theirs. Make sure I have your E-Mail address and phone number.

From the Vice President's Corner

By Cary Conwell

Happy New Year to all! I hope this year will be especially good to everyone, and most especially to those of us who own Corvettes! Our first LSCC meeting of 2006 will be at Sneaky Pete's on January 14 located on beautiful Lake Lewisville. SP's is situated at Eagle Point Marina at Lewisville Lake Park, 15 miles north of the I-35E/635 intersection in Dallas. Basically just travel north on Stemmons (I-35E) through Lewisville until you get to exit 454B (Garden Ridge Blvd exit). Once exiting at 454B travel directly east away from the highway towards the lake and Eagle Point Marina. Only about 1/4 mile you come to Eagle Point Road, turn back north here . Follow the little winding road and signs the short distance to the restaurant directly on the lake which has ample parking for our corvettes. Lunch that day could be Italian, at least I'm working on that for our menu. After all the turkey, roasts and finger food over December I figured we needed a change of pace this meeting.

I'd also like to thank everyone who supported me when I was the club's Treasurer these past 2 years and thank everyone who voted for me for the Vice President's office. I feel being an officer of this club is a very important responsibility and do not take it lightly. I think we have a good 2006 officer group with the total club's interests at heart, and with everyone onboard with us I think we can anticipate a fun and safe 2006 year together enjoying something we all have in common, our Corvettes! All the officers are hopeful of seeing as many members at this first meeting of 2006 as possible, Sneaky Pete's has plenty of room for us all.

Cary

Ft. Worth Stockyards Trip

EC (That would be Ed Clark) has the first trip planned for 2006: A trip to Riskey's BBQ in the Ft Worth Stockyards. We will eat an early lunch there and afterwards (11:30) we will see the "running of the longhorns" down Exchange Ave.

We will meet on Saturday, January 21 @Texas Motor Speedway @ 9:00 and leave about 9:30. We should arrive about 10:00 and can sit down to eat lunch about 10:15. We should be thru about 11:15 in time to see the longhorns run You probably should have an EARLY breakfast since we will be eating lunch early.

CARY AND SANDY CONWELL

When Cary Conwell was still in school, his family decided to move into a new home in Dallas, Texas. A chic by the name of Sandy resided in the house next door. Sandy was dating a guy who owned a 58 Vette. She gave that up to date the next-door neighbor kid (Cary) and his VW – go figure!@!! A backyard romance evolved, although Sandy said it took Cary 2 & ½ months to kiss her. I told Cary I would not put that in here, but – sorry Cary, I typed it out just to see what it would read like. Then my delete button was malfunctioning and I couldn't take it out. Too bad!!! Anyway, they dated for 2 & ½ years prior to getting married. It's strange that Sandy's sister wound up marrying the kid across the street. They sure didn't have to stray far from home to find their soul mates. Six weeks after marriage, Cary shipped off in the Navy aboard a submarine for four years. Their first son was born while Cary was at sea. They now have two sons and two grandkids, whom all live locally.

Cary currently works for Wells Fargo Bank in Ft. Worth as a Senior Vice President. They reside in Irving, Texas. Sandy worked in administration and management for 17 years until giving that up in her attempt at being the best grandmother there is.

Their first Vette was a 77 (bought in the 80's). They kept that car for just a couple of years as it proved to not be a family friendly auto. They had to wait till they were empty nesters to get another Corvette, a 2000 black coupe. It was at that time they visited the Dallas Car Show and saw LSCC's display of cars. They met Charlie Magill there who provided them with an application as well as an overview of the club. They joined immediately and made the next club meeting and have not missed many meetings since then. The following October, they bought a Spiral Grey C5 from Young Chevrolet at the October meeting held at Young, due to the great offers for LSCC members. One year later, they bought a Z06. Cary wasn't pleased with the long distance ride of the Z06 after a trip to Bowling Green. Therefore, the need to purchase a Victory Red C6 with Cashmere interior and 6 speed arose. Sandy says he has to keep this one for a while. I detected a different tone from Cary (sorry Sandy – a

Double Thanks:

First, a double thank you for joining the National Corvette Museum AND purchasing a brick goes to:

Dennis & Barbara Corder

2006 Events

The 2006 NCM event calendar is out. Handy pocket versions are available from Membership at our club meetings.

The 2006 events at the Museum include:

April 20 – 22	C5/C6 Bash
May 4 – 6	ZR1/C4 Gathering
May 25 – 27	Forum Cruise-In
July 20 – 22	Z06 Fest
August 31 – Sept. 3	Anniversary Celebration
September 28 – 30	Camaro/Firebird Reunion
September 28 – 30	R8C Experience Reunion
October 12 – 14	C3 Extravaganza

Memberships:

If you are not a member of the National Corvette Museum, I've got all kinds of free stuff if you join now – a free decal, a free patch and a really cool free t-shirt.

In addition to all the free stuff, because of our lifetime club membership, LSCC members receive a 25% discount on individual and family NCM memberships. Until recently there was no discount on lifetime memberships. However, at the present time we receive a \$50.00 discount on lifetime memberships. How long this will last, I do not know. If you wait, you chance losing the discount opportunity.

So, join the museum at a discount, get a free decal and patch and help YOUR museum.

Bricks:

What a great way to help the museum and also create a small monument of your own for future generations to try to figure out. Put your name on it, describe your car on it, put your kids' names on it, commemorate a special date, use your imagination. The bricks are \$100.00 for NCM members, \$125.00 for non-members. Contact me for order forms.

We only have about 25 spots left around our club brick. Don't procrastinate. You'll end up with the Porsche club.

If you would rather have a brick you can look at every day, how about a "Flint Brick" from the original Corvette plant? You can have them engraved with a personal message, they are individually numbered and you can choose the number, subject to availability. What a great gift for the Corvette fan that has everything. They are only \$100.00 each and have a multitude of uses – paper weight, door stop, wheel chock or get four and use them for jack stands.

For more information on anything concerning NCM contact Johnny Downs, 903/564-3069, 214/340-6300, ediewoww@aol.com, or Steve Jones, 972/317-2444.

Volunteers Wanted: For Autorama

Corvettes Wanted: For Rod & Custom Show

Corvettes and volunteers will be needed for LSCC displays at upcoming local events.

We will have club displays at the Dallas Autorama on February 17 – 19 and at the Fort Worth Rod and Custom Show on March 3 – 5. We have enough cars for the Autorama at Market Hall, but desperately need volunteers to represent LSCC in our display during the event. We need members to work two hour shifts Friday night, Saturday and Sunday. Volunteers' admission cost will be reimbursed by the club.

We need Corvettes, especially a few older cars – C1, C2 and C3 – for the Rod and Custom Show at Will Rodgers Convention Center. If you can volunteer, contact Johnny Downs, 214/340-6300, or Ken Smith, 214/704-7374 for the Autorama, and Johnny Downs or Bob Vance at 817/296-7925 for the Rod and Custom Show.

Autorama 2005

man has to do what a man has to do!).

Cary's favorite Vette would be a 65 roadster with a 396 and 4 speed. Cary says the best thing about owning a Vette is to be a part of something more than just a car. The following and the aura of owning a Vette is absolutely fantastic as well as the camaraderie with other owners. The new friendships that evolve through the club is amazing. No other car can provide those experiences.

Their first caravan was to Vettes on the Rockies. It was Sandy's first visit to Colorado. This trip made them feel as though they truly belonged to something (LSCC). Cary also developed a rash of poison ivy the day of the car show at Breckenridge. Charlie Magill was there and told him he was so lucky (???), as he was just getting over the same condition and was still taking medication for the itching. The drugs (medication) were shared, allowing Cary to immerse himself and keep the remainder of the Rx until he got home. Their most memorable event was probably caravanning to the plant & Museum (they are now life time members) and to witness their brick being laid was really cool (Sandy bought the brick for Cary for his birthday).

Cary had not given any thought of becoming an officer for LSCC until at the fall meeting at Young Chevrolet when Martha Kaus asked him if he would consider being nominated for Treasurer. He didn't think he would get elected, but accepted the nomination and was voted as Treasurer. Cary has now served two years as Treasurer for LSCC. It probably should not be noted that Cary makes the third Treasurer in a row that has purchased a new Vette while holding that office. Now I bet we start getting more candidates for the position of Treasurer. Cary will be the new Vice President for 06 and Sandy will be the Recording Secretary.

I remember Cary at perhaps his first Classic. The show of course was on Saturday, whereby all the cars were cleaned and spotless. I'm sure Cary's was too. What caught my attention was Cary at the track on Sunday. His car was parked far from all the others by himself and he was there detailing his car as if it was going to be judged again. He cleaned the tires, wheels, and all. I just thought, we cleaned yesterday; we play today, but there was Cary, still cleaning and wiping.

The Conwell's enjoy traveling. They have been to Hawaii and Italy and look forward to return trips to both places. Of course retirement is starting to creep into their future (7-8 years). For now, most anything they do revolve around the events of LSCC. They are most proud of their family orientation and of course their health (except that little round of poison ivy mentioned earlier). The fact they started from scratch, living in a little trailer and

going through life, becoming successful and proudly being able to afford those things they are now involved with, speaks volumes.

The thing I continued to draw from these two individuals is that they feel truly blessed and lucky (have I mentioned that poison ivy thing – see above). They are totally committed to LSCC and what it represents. The Conwell's stated that LSCC is a lot more than just what you see. You get out of it exactly what you put into it. They strongly believe if more members would just become more active with the club, their lives could be changed as theirs did.

This couple strongly believes they

are each other's best friend. I truly could not get any dirt on either of them (other than the drug thing mentioned above – Rx, Rx, Rx now!). They are both just as clean as those tires and wheels that Cary was cleaning at the track. Sometimes it can be refreshing not to find any dirt on a neat, cool couple like the Conwell's.

Happy New Year!

Happy Solicitations?!

Yes, it's 2006 already- Happy New Year and yes, Happy Soliciting! It's that time of the year for all LSCC members to start our annual "CLASSIC AUCTION DRIVE." Donna Dawley and I will once again be conducting our Classic's Live and Silent Auctions this May. So start

thinking now, who can I solicit for a donation? Think about places where you eat, shop, have services performed, hotels, unwanted Christmas gifts and start soliciting and donating now. More details next month, as we'll have the solicitation letters and contribution forms you'll need.

We thank all participants from the past years who have generously donated items, volunteered time and made outstanding bids, making our past auctions a huge success, and Donna and I know this year will be no different. We're also seeking a couple we can start working with, who we'll "groom" to take our places at upcoming Classic Auctions. It's a very rewarding and fun volunteer position. Call me now for details.

Thank You LSCC!! Nancy Hester
