1st Annual Garage Tour

by Curt Troster - Photo's by Linda Walker

The first annual Corvette Garage and Room Tour was a great success. Over 35 cars assembled on a beautiful Saturday for a tour of 3 club members garages and then it was back for another 1 on the following Sunday.

Saturday our first stop was the building owned by Ken and Charlotte Smith. Ken has quite a collection of model trains, cars and other memorabilia that fills his building plus a beautiful collection of 4 classic cars. If there were a contest where he who has the most toys wins, Ken will be at the top of the list. This was the breakfast stop and no one left hungry.

Next stop for lunch was the home of Terry and Linda Walker where we not only got to look at their beautiful garage adorned with plaques and posters, (Terry has a really neat lift) but we also invaded their home and saw numerous rooms filled with Corvette collectibles and a room dedicated to the Detroit Red Wings, (Guys, this is Dallas not Detroit !). Linda had a table of sandwiches made up for us and other people brought extras. Again, no one left hungry.

The last stop Saturday was the home of Craig and Laura Satterfield in a beautiful subdivision near Joe Pool Lake. Craig not only designed the lighting for this home (it is what he does for a living) but also designed the house itself. We all thought we were entering Better Homes and Gardens. His garage was clean enough to eat off the floor and is painted to compliment his C6. I think we could have a club meeting in his 2 garages. They're big enough. We finished the day there with a huge meal of BBQ and all the trimmings.

President's Message

by **Judy Garrett**

Thank goodness for cooler temperatures making it so much easier and enjoyable to get out and drive our Corvettes! When you go to the National Corvette Museum be sure to check out the LSCC banner mounted on the #1 pole as you enter the parking lot! Our very own NCM Ambassador Johnny Downs and other members were in attendance when it was installed and have pictures for us! This is a proud moment for LSCC and thanks to everyone's support of the Lone Star Corvette Classic in May has made this honor possible.

While the majority of the Dallas Fort Worth area was spared the wrath of Hurricane Ike many of us have family and friends directly affected by damage as far away as Ohio and beyond. Our families in Houston and Ohio had much wind damage, luckily not by the rain and flooding and no injuries. Let us keep in our thoughts and prayers those not so lucky who have lost their homes, businesses and lives of their loved ones. Please open you hearts and pocketbooks and donate some time or money to the Red Cross or the disaster relief agency of your choice. Even the food banks and blood banks need help and will for weeks to come.

At the October meeting we will be voting on some bylaw changes please familiarize yourself with these issues published in this newsletter.

It's also time to think about elections, bring your nominations to the meeting and consider running for office in your Lone Star Corvette Club. It takes lots of good people to run this great organization! We need you! We will need help counting ballots at the December meeting. Let Lou Opiare or myself know if you are interested in helping out.

Congratulations and thanks to Linda Walker for taking on the huge task of 2009 Caravan Coordinator for Texas. If she needs a hand lets help her out.

See you at Young Chevrolet on Sunday, October 12!
Let's make it great in 2008!

From the Vice Presidents' Corner

by **Lou Opiare**

On the Road

by Johnny Downs

This is it. The last month of great Corvette events for the year, and your last chance to join us. It is the best way to enjoy your 'Vette while creating or renewing friendships with other Corvette enthusiasts. With the exception of Eureka Springs, these are short trips, so make a point to try one of these events.

Corvette Weekend Eureka Springs, Arkansas October 2 - 5

Important news - The Comfort Inn in Eureka Springs has rooms available. Due to last minute cancellations so call 800/828-0109, get a room and join our caravan.

Arguably, the best event, definitely the most interesting location, Eureka Springs is our largest trip in terms of participation. If you like to drive Corvettes, look at Corvettes and talk Corvettes this is for you. If you like to shop downtown, shop out of town, or shop at Pine Mountain this is for you. If you like beautiful houses, beautiful scenery and beautiful weather (most of the time) this is for you.

We will have two caravans to Eureka Springs, one on Wednesday for those participating in Thursday's autocross, and a larger caravan on Thursday for everyone else. The Thursday group will meet at the Chili's/IHOP parking lot on US 75, just north of Hwy. 380 in McKinney. Departure will be 9:00 a.m. so please arrive by 8:30 for a short drivers' meeting. Allen Kaus will be leading the Wednesday caravan, 972/467-0271. Contact him for time and location.

NCM News

by Johnny Downs

Some really neat things happened at the Anniversary Celebration at the Museum on Labor Day, but the big, big news concerns the 2009 Caravan.

2009 Caravan:

Great news - Linda Walker is our new leader, not LSCC but the whole North Texas area. Robert Bush of Houston resigned as Central Texas Caravan Captain. Since the area is large and time is short it was decided to divide into two caravans, North Texas and South Texas.

The National Caravan leader asked an unnamed NCM Board Member from Sadler, Texas for help. He nominated Linda and she accepted, the condition being that Terry Walker, The Downs and the Trosters sign on as helpers. Since Linda is a captain they would be privates.

For all of you planning to participate in the Caravan, check the 2009 Caravan section on the NCM website for Linda's page. It should be up shortly. At that point you will need to go to your Caravan registration and change your caravan group to the "North Texas" choice.

If you have not registered for the Caravan, please do so when Linda's page is up. It is the best way to be on board to get the latest information.

Planning is starting. Routes and hotel information will be coming soon.

Speaking of hotels, we had a couple of cancellations at the Hilton Garden Inn. They are going to hold those two rooms for a couple of months. This is your last chance to reserve a room (unless someone else cancels, but don't count on it).

Lions Club Rotating Charity

by Don Davis

On September 12, 2008, Don Davis presented (on behalf of the LSCC members) a check for \$2,800.00 to the Texas Lions Camp.

To remind you, this is one of the rotating charities that we voted to support in 2008. This summer camp is a special camp for special needs children. It is a residential camping facility for children with physical disabilities, type 1 diabetes and cancer.

The Camp is located on over 500 acres in the beautiful Texas Hill Country, and is designed to introduce the "Can Do" philosophy to children dealing with special medical conditions.

This past summer our donations allowed 1,538 campers to attend the Texas Lions Camp. Some of the kids played softball, rode horses, played basketball went fishing and had cookouts for the 1st time in their lives. There is a heavy counselor to attendee ratio that allowed them activities that most have never been able to take part in. Located in Kerrville, the 504 acres of hilly terrain has everything a typical camp would: a swimming pool, arts and crafts, trails, an extensive ropes course and many other activities for children to enjoy.

What makes this camp unique is its large staff and wheelchair accessibility that provides for campers with unique needs.

Also, each camper receives an award at the end of camp at an awards ceremony, making each child a winner.

So from the Lions Club of Texas to the Lone Star Corvette Club and its many members a ...

BIG THANK YOU FROM THE KIDS !!!!

Vooorm-Vooorm-Voooooortrrrrmm! Rev that engine, Let's go RACING! We had an awesome time at Ennis last month. I don't know how it happened, but somehow Allen (LOSER-Kaus) ended up racing Manlio Marquez (the overall leader in the Super Class) in finals and — Allen won. This gave him a 1st place and Manlio was runner-up. Who'd of thought? We had other winners also. Jimmy O'Neal won first in Electronics. He had major traction issues and his car kept getting squirrely. (fyi-most vettes run Super at +/-13 seconds, well he runs 8 seconds. Whoa, that' a mile in about 27 seconds from a dead stop!!!) His 3rd run, he just coasted down, the other guy red lighted. Then in the final run, the other guy knew that Jimmy was just going to throw the race. Jimmy just coasted down at +11 secs on his 8 sec dial. The other racer just needed to run a clean race to take 1st place, but noooo, he sailed on down, ran too fast and broke out. Jimmy got 1st and the other guy probably kicked himself all the way home. Herb Stringer also shifted his way to win runner-up in the Race of Champions.

As for me, LOSER! I spanked this guy from Torque Central at the last race in Abilene. So he wanted a Camaro-Camaro grudge run. It was heads up, he ran 12.2 to my 12.7secs. But it was reaction time that counted. I cut a .005 light (awesome!) but noooo, he did a perfect .000. He later confessed, it was the first perfect light he's ever had, figures. Then in my first race, I ran a .011 (or .511) light and ran 12.77 on a 12.75 dial (nearly perfect run), but noooo, the other guy did even better! It just wasn't meant to be that day, or any day here lately. If this keeps up, I'll have to start calling Allen, winner, and me, LOSER!

Like I say, you usually do better in the slower classes, it seems that they are not as good of racers. We've got two races left; we'd love to see some new and old faces there. We're not usually hard to find once you get there either, just look for trailers with older vettes on them. We also have some F-bodies. We'd love to see some new people. This is a no experience-required thing. You can race anything with doors. Bring the Toyota.

Anniversary Celebration:

LSCC got a lot of recognition at the Museum over the Labor Day weekend, including:

1. At the board meeting, an expression of appreciation for our club visit to the Museum in June was made.

2. A plaque was presented for the second largest club visit of 2008. The San Jacinto club of Houston celebrated their 50th anniversary at the Museum and beat us by 4 people.

3. Johnny & Edie Downs were recognized as Master Ambassadors for 2008. This is due entirely to the great support of the Museum by LSCC members.

4. Saturday afternoon a ceremony was held mounting club banners in front of the Museum. The LSCC banner was given position one. So next year when you arrive as part of the 2009 Caravan, the first banner you will see turning into the Museum drive will be LSCC.

5. Finally, a check for \$5,700.00 was presented to NCM at the event closing dinner. It was noted that LSCC is the first club and second donor overall to make its entire naming rights donation for the Museum addition.

For NCM caravan, brick or membership information contact Johnny Downs, 903/564-3069, 214/340-6300, ediewoww@aol.com or Steve Jones 972/317-2444.

Whitesboro is on US 82 and US 377, just 60 miles north of the metroplex. It's more than a car show. It is food, a parade, arts & crafts, food, hanging out with your friends and food. That last food is burgers at our place after the show. Registration is 9:00 a.m. to 11 a.m., judging is 12 noon to 12:30 p.m. Get there early for a good spot. I have entry forms and I suggest you pre-register. They will cut off entries at 200.

1st Garage Tour

Continued from Page 1

Sunday took us north to the home of Johnny and Edie Downs. Any one who has attended the Peanut Festival Car Show has probably seen their home. It's a beautiful place out in the country. Their garage is not just a garage but more of a stable, filled with Corvettes from C1s to C6s including his 67 black roadster, my favorite. To a car guy this is what heaven must be like. Once again we all ate and visited and admired our surroundings.

I am sure most of us went home from this tour with a new found energy to clean up our garages and make them more of a show place for our Vettes then just a place to store stuff. I know I did. Hopefully we can make this an annual event with another group of garages and rooms next year. I know I have long way to go on mine but I have started.
