## Heartbeat rolls on despite storm

by Johnny Downs

A midafternoon monsoon may have kept a few people away, but the Heartbeat in the Heartland was still declared a success as scores of Corvette fans came to Young Chevrolet on Thursday, September 15<sup>th</sup>.

On display were 20 LSCC cars and Young's new Corvette inventory representing all six generations. On the showroom were the LeMans Pace Car and two Corvette race cars, one of which was the ALMS 2004 champion driven by Ron Fellows and Johnny O'Connell.

Despite all the beautiful Corvettes, the most popular spot during the day was out by the grill where Young's Butch Watson was kept busy feed-

ing the crowd sausage and hot dogs. In addition to the great food, Young also furnished free drinks for all the visitors.

Heartland tour leaders Bill & Bobbie Weir and Randy Pierce were on hand all afternoon, as was National Corvette Museum Director Wendell Strode, Chairman of the Board Larry Martin and his lovely wife Peggy.

A twenty minute video was shown Thursday evening that told the National Corvette Museum story. Both Wendell Strode and Larry Martin spoke and answered questions.

Prior to the video LSCC presented the Museum with a check from the Classic auction proceeds in the amount of \$5,000.00.

By the conclusion of the event, several Corvette enthusiasts had become museum members. Thanks to all of the great LSCC volunteers and to Dave Davis and his Young Chevrolet employees the Heartbeat in the Heartland stop in Dallas was a big success – rain and shine!

## On to Wichita Falls...

## President's Corner

by Allen Kaus, President

It's already October. Things are gearing down for the year, who am I kidding! About the time this newsletter appears in your mailbox, we will have many members in Eureka Springs and many more preparing for the Big Bend Open Road Racing event. We even have khana and two drag racing events this month! There are still road trips and car shows. Take a look at the calendar, there must be something there to interest you. This month's meeting is even on a Sunday so all you Saturday workers can make it. Lunch is even free, but bring your own chairs. Young has some fantastic deals on all their vehicles, so browse around the lot. We're going to continue our clearance sale one more month. Sorry, no more clearance jackets. There's so much going on, I can hardly keep track of it.

The club is even debating over changing the club shirt. I will keep my opinion to myself but I really want to know yours. Just e-mail me a quick note, preferable before this month's meeting, since this issue will be coming up again at that time. Keep in mind, it should be something: standoutish (so that you can spot us within a group as a separate group), not too trendy (so we can use it for many years to come), readily available (so that we can still get it for years to come), and not toooo expensive.

Elections are coming up also. We need people to step up to the plate! Being an officer is not really hard. Most officers have coordinators doing the hard work while they take the glory (and sometimes the flack if they mess up!). Even higher up the officer pole seems to be easier. This year we've had an excellent officer group. We've taken our positions and responsibility to the club and it's members seriously. We've watched every dime spent, trying to rebuild our bank account. And we've all gone that extra mile to improve the club's public image. As a member, think about who you want to be an officer representing your views and values of Lone Star Corvette Club!

Allen

## LSCC Members Help Hurricane Katrina Victims

On September 11 six members of LSCC got together and helped fold and sort through clothing donations to be used for the victims of hurricane Katrina, which devastated the Gulf Coast.

Don & Kelly Davis, Gary & Janna Ellsworth and John & Sandy Galletta volunteered their time to assist those who were displaced by this terrible tragedy.

## October Meeting

by Rusty Taylor, Vice President

October is already here..... ghosts and goblins are just around the corner, the promise of cooler weather, (I'll believe it when I see it!!!!), the State Fair is here.....and the next meeting will be on October 9th, (a Sunday please note), at Young Chevrolet. Lunch will be provided by Young Chevrolet, so it will start at 11:30AM, and the business meeting will start at 12:30PM. Please remember to bring your lawn or folding chairs.....See ya there!!!!

Young Chevrolet is located on I-30 & Buckner Blvd. You can't miss it right there on the Eastbound side of I-30.

Make plans for the LSCC Christmas party for December at Young Chevrolet.....please be at the October meeting for details.....

If you had ever wanted to be a leader.....then consider becoming a LSCC Officer!!!! Nominations will be in November, with elections in December!!!! Get involved with the LSCC and be nominated for a LSCC officer position.

In October, we will vote for the LSCC rotating charity for 2006 at the October meeting. Please make plans to be there because your vote counts!!!!

## CLASSIC 17 — HELP!!!

I need to ask LSCC members at-large to consider stepping up to the plate and assist with various vacant coordinator positions for Classic 17. I don't think this is too early to begin some of the pre-planning required to ensure a successful event this next May.

Unfortunately, a lot of the work required doesn't get done unless some of us are willing to volunteer our time to help with this huge event.

Those vacant positions at this time are:

Advertising  
Golf Carts

Hospitality  
Signs

The previous coordinators will assist in making the transition to the new coordinator.

Feel free to call seeking more information about any one of these positions or should you decide to make a commitment, please call me at home (972-771-5560) or work (972-502-1524).

Thanks for your support. Your assistance and cooperation will be greatly appreciated.

Charlie Magill, Classic 17 Officer

# Business Meeting Minutes

September 10th, 2005

By Audrey Samuel, Recording Secretary

Allen Kaus, President, called the business meeting of the Lone Star Corvette Club to order, with Karl Samuel standing-in as Vice President in the absence of Rusty Taylor. The recording secretary was present. Mr. Kaus introduced the 2005 officers.

Minutes of the August 2005 business meeting were approved as published in the September newsletter.

Mr. Kaus welcomed 1 new member. Judy Garrett asked for a vote on the member applicants published in the past newsletter. All were approved. Judy announced club membership at 1018 members with 17 new members joining this month.

Tim Dowding presented the August 2005 Financial Statement, which was approved by the membership.

The vote to change the Bylaw on printing of the Membership Directory from semi-annual to annual was unanimously in favor.

Nominations of four rotating Charities were heard and there will be one voted in at the October Meeting held at Young Chevrolet.

Nominations for Officers of the Club will be held at the October and November meetings. A great meal at Sneaky Pete's was enjoyed by members filling up the parking lot with 48 shiny Vette's. It was a hot day, but it was also a good chance to drive our Corvette's, that's where the fun is!

Allen Kaus adjourned the business meeting.

## New Fuel Gauge ?

## Drag Racing 2005

By Martha Kaus

Our last race was at Kennedale. 19 cars showed up to race. The weather was hot, hot, hot! The temp thingy said 104+ with density altitude of 4300+. Hot! We had all the shades up. But the race and the BBQ went on. Nine of our racers made it to the 2<sup>nd</sup> round. Then six went to the 3<sup>rd</sup> round. Bobby Gorman & Manda Gorman (both 1<sup>st</sup> timers), John Galletta, & Allen Kaus all lost in the 3<sup>rd</sup> round. Mark Goolsbay won his 3<sup>rd</sup> round giving him 1<sup>st</sup> place in the Street Class and a coveted jacket! This was his second time to race with us. Tim Wheeler lost in his 5<sup>th</sup> round giving him Runner-up in the Super Class. GOOD JOB GUYS!!! It was a good day, and we had lots of fun.

Our next race is Ennis. It originally was Oct 16<sup>th</sup> but we have been bumped to Oct 23<sup>rd</sup>. Got it guys?! Our last two races are:

October 23<sup>rd</sup> Ennis-Roving plaque day  
Oct 30<sup>th</sup> Redline (east on I-30 past Rockwall to Caddo Mills)

You can get all the specs off the calendar on our club website.

So bring yourself, bring your friend and his car, and bring something to go with hotdogs and hamburgers. Just look for all the cars with a big "H" on their windows. That's our club's designated letter. We'd love to have all of you join us. Hopefully the only thing cooking these two races will be the food! Any questions (Allen says-no more flats!) Call Allen or myself at 972-524-7333 or 972-467-0271. Zoom, zoom, zoom. See 'ya at the track! MK

## KhanaCross -

## A Don't Miss!

by Greg Hester

Our next race in the KhanaCross Championship Series is Oct. 22. It's a Saturday of fun, racing, joking and eating and racing. It's at Cedar Valley College in Lancaster on Lancaster Rd, right off I20. Race set up starts at 9am and race begins at 11am. It's only \$15.00, bring your own chair, drinks and a side dish to share for lunch.

It's lots of fun, usually running at least 4 times around a timed course. Bring a buddy, we even have a non-member/non-vette class. Call me with any questions: day 972 222-6111 or nite 972 329-9901

See you at the races!  
Greg

# NCM Notes

By Johnny Downs

### Anniversary Celebration:

At the anniversary celebration Edie and I learned some exciting things for all of you to look forward to. Wendell Strode, Museum Director, mentioned this at the Heartbeat event at Young Chevrolet, so some of you already know. Fund raising for the museum expansion is going well. The hope is for ground breaking in 2007. Then, Labor Day 2009 we will have a 15<sup>th</sup> Anniversary Caravan that, hopefully, will culminate with a grand opening of the museum expansion.

Also, thanks to what all you LSCC members have done for the museum, Edie and I received a Master Ambassador award. Of 266 NCM ambassadors, only twenty-eight received this honor.

Another interesting bit of information picked up at the anniversary was Corvette plant manager Will Cooksey's pronouncement that the completed Z06's produced for consumer purchase would not leave the plant until he was convinced that the "problems" were corrected.

### Memberships:

If you are not a member of the National Corvette Museum, I've got all kinds of free stuff if you join now – a free decal, a free patch and a really cool free t-shirt. I will have a shirt at the next meeting for you to check out.

In addition to all the free stuff, because of our lifetime club membership, LSCC members receive a 25% discount on individual and family NCM memberships. Until recently there was no discount on lifetime memberships. However, at the present time we receive a \$50.00 discount on lifetime memberships. How long this will last, I do not know. If you wait, you chance losing the discount opportunity.

So, join the museum at a discount, get a free decal and patch and help YOUR museum.

### Bricks:

What a great way to help the museum and also create a small monument of your own for future generations to try to figure out. Put your name on it, describe your car on it, put your kids' names on it, commemorate a special date, use your imagination. The bricks are \$100.00 for NCM members, \$125.00 for non-members. Contact me for order forms.

We only have about 25 spots left around our club brick. Don't procrastinate. You'll end up far away, cold and alone.

If you would rather have a brick you can look at every day, how about a "Flint Brick" from the origi-

nal Corvette plant. They are individually numbered and you can choose the number, subject to availability. What a great Christmas gift for the Corvette fan that has every thing. Get two and use them to chock the tires on your car trailer.

They are only \$100.00 each. I will have a sample at the meeting.

For more information on anything concerning NCM contact Johnny Downs, 903/564-3069, 214/340-6300, [ediewoww@aol.com](mailto:ediewoww@aol.com), or Steve Jones, 972/317-2444.

## On The Road

By Johnny Downs

The Eureka Springs Corvette Weekend signals the end of our scheduled trip to Corvette events. However there are some events close to home worth attending.

**Pioneer Days Car Show  
Collinsville, Texas  
October 8, 2005**

This is the first car show held in Collinsville. Mike and Donna Dawley and Edie and I are helping them, as most of the people involved have no

*Continued on next page*

car show experience. We would really appreciate LSCC member support through attendance.

Collinsville is only 23 miles north of Denton on US 377, which puts it less than 60 miles from the metroplex. The show will be held at the football field. The parking area is new and paved. The restrooms are new and air conditioned. What more could you ask for. Registration is 8:00 a.m. to 11:00 a.m., judging 12:00 noon to 3:00 p.m.

There will be food, music, vendors, arts & crafts and more as part of the show and festival. I have flyers with entry forms.

**Peanut Festival  
Whitesboro, Texas  
October 15, 2005**

Several LSCC members have made this an annual affair. The car show is in a shady park, but the real draw is the Peanut Festival – lots of food and lots of vendors with lots of stuff.

Whitesboro is nine miles north of Collinsville, so it is just over 60 miles from the metroplex. Registration is 9:00 a.m. to 11:00 a.m., judging is 12:00 noon to 2:30 p.m. I have more information with an entry form for anyone interested.

**Cowtown Vettes Car Show  
Fort Worth, Texas  
October 15, 2005**

The fourth annual Cowtown Vettes show will be held at Hulen Mall, 4921 Overton Ridge. Registration is 9:00 a.m. to 10:00 a.m., show 10:00 a.m. to 2:00 p.m. There will be classes for stock, custom and race Corvettes. It would be great to have a large LSCC turnout to support our neighbor club. In fact LSCC members Karyn Fowler, Kim West and Linda Walker are also Cowtown members and are part of the show committee. For more information go to [www.cowtownvettes.org](http://www.cowtownvettes.org).

**Texas NCRS Meet  
Waco, Texas  
October 20 – 22, 2005**

As I have said before, this is absolutely THE place to see the best older Corvettes in Texas. Several of our members will have their cars entered.

Registration for the event, held at the Waco Convention Center begins Thursday morning the 20<sup>th</sup>. The cars will be on display all day Friday and Saturday.

I have more details and hotel information, or you can go to [www.ncrstexas.org](http://www.ncrstexas.org).

For information or to sign up for any event, contact Johnny Downs, 214/340-6300 office, 903/564-3069 home, or [ediewoww@aol.com](mailto:ediewoww@aol.com).

# Palestine to Rusk on the Texas State Railroad -

## Volume 2

All aboard for the cruise to Palestine. Then we will travel to Rusk and back on the Texas State Railroad. *This trip will be on October 22<sup>nd</sup>.*

Round-Trip seating with an opening window is \$16. If you want climate controlled the cost is \$22. Seating on the train is on a first come first served basis. The gates open 45 minutes before departure. The train departs from Palestine Depot at 11:00 AM and arrives at Rusk at 12:30 PM. The trip back from Rusk begins at 2:00 PM and arrives at Palestine at 3:30 PM. We will travel I-45 to Corsicana where we will take Hwy 287

into Palestine.

In order to get us out of the Dallas/Ft. Worth traffic we will meet in the parking lot just past the IHOP at the I-45 exit 251B / Highway 34 in Ennis at 8:15 AM.

If you are coming from the Ft. Worth area take Hwy 287 to Ennis and follow Hwy 34 to I-45 turn right on the service road to the IHOP.

Reservations and payment for the train trip must be in no later than the Club meeting on October 8<sup>th</sup>.

If you can't make the Club meeting you can mail your check to me. Please make the check payable to me so that I can pay for all the reservation. The reservations must be made and paid for at least three days in advance of the trip.

## Heroes for Children Inc. – A helping hand for parents of children with cancer.

Heroes for Children Inc. (HFC) was founded by Larissa Linton, and Jenny Scott, two North Texas women that share a tragic bond. In December 2000, Larissa's 3 year old daughter Taylor was diagnosed with Acute Myeloid Leukemia (AML). She passed away just one year later. Jenny's daughter Allie was only 4 months old when she was diagnosed with AML in 2004. Sadly, she too earned her angel wings just five months later.

These two women came to understand first hand the terrible financial stress families endure when a child is diagnosed with cancer. Often a parent has to leave work to care for the child. The loss of income, along with the increase in medical expenses, can create a financial burden. By providing financial assistance for rent, utilities, medical bills, etc., HFC helps to ease the burden, allowing the family to focus on the most important part of treatment—the child.

Heroes for Children has become the organization that local Dr.'s and social workers turn to, when trying to meet the financial needs of pediatric cancer patients. There is no other organization that provides such versatility when it comes to financially assisting families such as these.

You can read about these two beautiful girls and their family's inspirational fight against AML on the following websites.

## Casey Joyce All America VFW Post #4380 Plano, Tx.

### Programs and Services

The Veterans of Foreign Wars (VFW) extends well beyond the realm of veterans helping veterans. VFW members are mentoring youth groups, helping in community food kitchens, volunteering in blood drives, visiting hospitalized veterans and

helping veterans file compensation claims. The VFW's numerous programs and services all center on benefiting veterans and health services, enhancing military and civic pride and improving the community. The VFW is there *honoring the dead by helping the living.*

### Programs supported by VFW Post #4380:

- Veterans Relief Fund – helping the needy and disabled veterans, dependents of veterans, widows and orphans of deceased veterans.
  - Adopt A Platoon - HHC 1-41 Infantry BN - provides needed mail support, a better deployment quality of life, lifts morale, and assists military families.
  - Community Service - works with the March of Dimes, the Points of Light Foundation and America's Promise-The Alliance for Youth. Citizenship. Education programs designed to stimulate an interest in America's history, traditions and institutions, as well as promote patriotism. Partners with the Boy Scouts of America, National Rifle Association, U.S. Chamber of Commerce, International Association of Firefighters and the Salvation Army.
  - Post 4380 supports local veterans that are in need. We provide assistance to the veterans at the VA hospital in Bonham, Texas.
  - Post 4380 has community projects to support local charitable organizations such as the local battered women's shelter, Hope's Door.
  - Military Assistance Program - focuses on easing the financial emergencies of deploying service members and supporting them and their family through the hardships of deployment.
  - Veterans Services - monitors medical and health issues affecting veterans, provides veterans with up-to-date information on diabetes, post-traumatic stress, Agent Orange exposure and Persian Gulf Syndrome
  - Legislative Services - monitors and lobbies Congress for legislative action targeted toward maintaining a strong national defense and improving military benefits and quality of life for all veterans.
  - Youth Development - every year students participate in scholarships and incentives programs.
  - The VFW Veterans Tribute Scholarship—for children and grandchildren of all veterans and active-duty military personnel.
  - The Voice of Democracy - an audio essay contest for high school students in grades 9-12.
  - Patriot's Pen - a youth essay writing contest for students in grades 6, 7 and 8.
  - Casey Joyce Memorial Scholarship – an essay contest for Senior High School graduates of Plano ISD
- The VFW works with youth in scouting, sports, ROTC and military cadet programs.

The following has been nominated for the Lone Star Corvette Club rotating charity for 2006:

## **Camp Copass Youth Camp**

**8200 East McKinney Street**

**Denton, TX 76208**

Camp Copass is a non-denominational Bible Camp nestled on the water's edge of Lewisville Lake just east of Denton. The camp was founded in 1946 by Mrs. Cricket Key Copass, hence the name Camp Copass. The camp's purpose is to provide an environment and activities that allow the Holy Spirit to work in people's lives. Primarily a youth camp in the summer, the camp also hosts adult retreats and day visits as well, encompassing 17 different religious denominations, school groups, and several secular groups. Brad Springer, the Camp Director, says their doors are open to work with any group that will respect the rules of the camp.

The camp receives only 10% of their operating income from 10 area churches. The camp tries to be self-supporting through collecting fees and donation for the other 90% of their expenses. Additionally they provide scholarships to as many as 250 less fortunate youth. In 2003 the camp hosted 23,000 guests through the summer camp and retreat programs they offer.

Late this summer, Camp Copass opened their doors to the many evacuees of New Orleans in order to help them rebuild their lives after the tragic devastation of Hurricane Katrina. Over 300 people have been housed at the camp. The camp has experienced many costs they normally would not incur. Electric, gas, water and sewage bills that are normally minimal during the late summer fall and winter season will be dramatically increased as well as grounds maintenance not normally performed during these times. Additionally, the camp has cancelled events scheduled in the fall and winter of 2005; there will no income to pay these additional costs, which are estimated to be between \$40,000 and \$80,000. The actual costs will depend on how much clean up and renovation will be required after the evacuees leave. Presently, there are at least 10 units identified that will require major renovation.

The camp has also been working to collect funds to renovate the Dining Hall. Currently the dining hall seats around 300 guests, but there are times when as many as 2500 guest in attendance at the camp. As you can imagine, this makes for something less than the type of dining the camp would like to provide. This project is underway and is facing possible deferment due to the reduced income at the camp.

The camp personnel know that God will provide the means to address their needs. What I am asking is the Lone Star Corvette Club be an Angel of the Lord and help by designating Camp Copass a designated charity of the 2006 Corvette Clas-

sic. The Lord has blessed those of us in the Lone Star Corvette Club, with good fortune. We drive fine cars, enjoy the company of the fine members of our club, and participate in a wealth of fun and exciting events. By helping an operation as Camp Copass, we not only assist in doing God's work, we can have a positive impact on the youth of our area and help shape future Corvette owners!

Submitted by: Mike and Karen Danks – Black '04 Coupe owners in Corinth, Texas.

## **Classic Charity Nomination: Coalition to Salute America's Heroes Texas**

"They were there for us. Now it is our turn to be there for them."

General Tommy Franks, US Army (ret.)

I would like to nominate the "Coalition to Salute America's Heroes Texas" to be our Lone Star Classic Rotating Charity for next year. The LSCC has shown great support for these Great Americans with your care packages, e-mails and letters in the past. Now it is your chance to support these Great American Heroes as they return to Civilian Life. Here is the Coalition Story:

### **About Salute America's Heroes**

Every day wounded veterans and their families must struggle to overcome the loss of a limb, significant burns, or even the reality of being in a wheelchair. Our mission is to help them overcome these obstacles and resume a productive and fulfilling life.

The Coalition to Salute America's Heroes is a non-partisan 501(c) (3) organization, created to provide an easy and meaningful way for individuals, corporations and others to help our severely wounded and disabled veterans and their families rebuild their lives. Donations are tax-deductible.

Severely wounded and disabled War on Terror veterans fight even tougher battles here at home as they struggle to adjust to their new found circumstances and post-war life. The Coalition to Salute America's Heroes enables all of us to express our appreciation and support to these heroes by reaching out with much-needed programs that will help them succeed in their challenging new world so they may ultimately enjoy a productive and rewarding life. Our programs include development of conferences to help the wounded, building homes for the paralyzed and blind, programs to support families visiting their wounded loved ones in military hospitals, as well as many other initiatives.

Thank you for considering these heroes for our charity.  
Greg Hester
