

## THANK YOU FOR YOUR INTEREST IN PENN'S VILLAGE

All Villagers, Neighbors, Contributors and Volunteers may attend our distinctive educational, cultural and social programs.

Information from our list of member-recommended neighborhood resources such as electricians and home care providers is available to Villagers, Neighbors and Volunteers.

### CHOOSE YOUR PARTICIPATION LEVEL

- Villagers:** pay \$600 annually per household and may receive volunteer provided services, up to three per week, such as transportation, errands, and friendly visits. An in-person interview is required for all Villager applicants. Financial assistance may be available for those requiring help to pay villagers dues based on need.
- Neighbors:** pay \$200 annually per household to support Penn's Village as a vital community resource and may "sample" volunteer provided services.
- Contributors:** pay \$100 annually per household.

Donations over and above these annual participation levels are appreciated.

If you are interested in volunteering, a Volunteer Application is available on the website.
