### Diversity Mission Statement

The League of Women Voters of the Space Coast will promote in all aspects of the League's activities, a philosophy of inclusion that reflects the diverse composition and issues of the community.

## President's Corner

Barbara Williams

### Thank you Volunteers!

The board has put together a plan to award volunteers who commit on average at least 2 hours a month during our fiscal year with a coupon that can be used for one free entry to a LWVSC Timely Topic event. For complete rules, click on the image or contact a member of the board. I would like to add that our board realizes that many of our committee leaders and members are very passionate about their programs of work and often engage in activities well beyond league volunteer requests. For instance, our education committee chair went beyond collecting our gift cards for homeless students by committing herself and her family to gift wrapping for donations to support our homeless students. I hope to work with the board to extend our appreciation of volunteers to include a member recognition column in upcoming Voter newsletters.

We have a lot of work to do to keep our democracy working – thank you to all of our members for whatever support you provide!

These are the highlights if you are not signed in or are not a member but would like to know more about the volunteer program.

1. Volunteer entries for awards must be approved by the executive committee (i.e. officers) and officers will not be eligible for awards.
2. Volunteer entries are not for attendance of Board or committee meetings or Timely Topics or other LWV educational “pay” events such as conferences. Tabling events, petition collection, observer corps, speaker’s bureau, and other volunteer needs beyond normally scheduled business meetings and events are the intent of this program.
3. The program will be per fiscal year (April 1 to March 30) with the exception of entries from Sept 2017 to April 2018 will be added to the next fiscal year as part of program initiation and testing.
4. A coupon for a free pass to a LWVSC event will be awarded to any members who accumulate 24 volunteer hours. Hours will be tallied and awards made every quarter, the 24 hours will be deducted from a member’s total hours once the coupons are presented.
5. The intent of this program is to get membership involved and looking at our volunteer page. We will evaluate the effectiveness at the end of the first full fiscal year it is implemented and

determine if we should continue the program. We will also have to monitor the cost.

**Our Volunteer Awards  
Program to officially begin  
fiscal year 2018!**

### Board Bytes

- By-Laws Revision Committee has been meeting. Board will approve changes in February and By-Laws will be sent to membership for final approval at annual meeting in April.
- Annual Meeting is scheduled for Saturday April 7<sup>th</sup>. Details will be coming soon.
- Committees are following the bills before the Florida Legislature. Legislature is meeting from January 9<sup>th</sup> to March 9<sup>th</sup>.
- George Lebovitz volunteered to help Gloria Parra with Observer Corps.  
*(continued on Page 3)*

CONSTITUTION REVISION COMMISSION  
2017 - 2018

## FLORIDA CONSTITUTION REVISION COMMISSION (CRC) PUBLIC HEARING IN BREVARD COUNTY ON FEBRUARY 19, 2018

We will recall that Florida's Constitution Revision Commission (CRC) convenes every 20 years. The third one was organized at the beginning of last year, 2017, and has been meeting since then. As provided by the Florida Legislature, it has 37 members appointed by various Florida governmental leaders (Governor - 15, Senate President - 9, House Speaker - 9, Supreme Court Chief Justice - 3, plus the Florida Attorney General).

The CRC has the ability, by the vote of 22 of its 37 members, to place on the November 2018 ballot any changes to Florida's Constitution that it desires. This is a very great power, especially when one notes that to place an Amendment on the ballot by citizen initiative requires the certified petitions of 766,200 voters (22 vs 766,200!).

During this past summer and fall the CRC accepted more than 1,400 proposed Constitutional Amendments from citizens and from its own members. Those proposals have been reviewed by the CRC's several Committees, and the number to be given further consideration has been reduced to 103.

Under the rules governing the CRC, May 10, 2018 is the deadline to submit its final report to the Florida Secretary of State. It must report by then exactly what proposed Amendments it will present to Florida's voters in November. The approval of 60% of the voters is required to add any Amendment to the Constitution. Interestingly, in 1978 the first CRC proposed eight Amendments and none were approved by the voters. In 1998 nine Amendments were proposed and eight passed, with only a majority vote (50 %) being required in both instances.

In order to help make its final decisions, the CRC has scheduled six public hearings to be held around Florida during this February and March. One of those hearings will be held here in Brevard County, at the King Center of Eastern Florida State College, on Monday, February 19<sup>th</sup>.

The King Center hearing is scheduled to be held from 1:00 to 7:00 PM that day. However, it will continue into the evening until all those present have had an opportunity to speak and express their views on any of the proposed Amendments (The CRC hearing announcement states, "Floridians who fill out an appearance form by 7:00 PM local time will be given an opportunity to speak before the Commission.").

There are a number of issues still being considered by the CRC that are of great interest to the Florida LWV and to our Space Coast LWV. They include: Everyone's Right to a Clean and Healthful Environment; Land Acquisition Trust Fund Financing; Handgun Licensing; Public Education, including use of Public Funds for Private Schools and Authorization of Public School Boards to Convert to Charter Schools; Restoration of Voting Rights for Former Non-Violent Felons; Voting in Primary Elections and more.

All Brevard County citizens, especially those reading this report, are encouraged to attend the hearing. And, if they are able, to participate in the public discussion. Because speakers will likely be called in the order they submit an "appearance form", try to come to the hearing as early as possible.

**REMEMBER, MONDAY, FEBRUARY 19, 2018,  
1:00 TO 7:00 PM OR LONGER.**

Tony Dutton

### Board Bytes (continued)

- The Natural Resource Meeting at the Cocoa Library on Saturday, February 24<sup>th</sup> will have a discussion of Solid Waste Recycling. Meeting is from 3 p.m. to 4:30 p.m.
- Susan Little, Chair of Natural Resources Committee recommends the book *Climate of Hope* by Michael Bloomberg and Carl Pope. It is a discussion of how cities and individuals will tackle climate change.
- Thank you to Tony Dutton who is responsible for our League receiving a grant of \$900 to carry out a student voter registration project in 2018.
- Terry Mott purchased one of Brevard Zoos' newly created *Sustainability Survival Kits* to be given away at the January Celebrate the League event on January 18<sup>th</sup>. The kits were created to encourage people to reduce the use of disposable food-related products such as plastic straws, cutlery and Styrofoam containers. The kit includes the following items: an insulated lunch bag, a dishwasher-safe food container, spoon, fork, a pouch with reusable chopsticks, a reusable straw, straw cleaning brush and a cloth napkin. The kits are a fundraiser program for the Zoo and the basic version costs \$30. For an additional \$15 one receives a Tervis water bottle.

## International Relations

### Joyce Calese – Chair

The February International Relations meeting will be at the Satellite Beach Library on Tuesday, February 13 from 1 p.m. to 3 p.m. Topic is Russia's Foreign Policy led by Jane Wilson

At the December International Relations meeting we received such interesting and timely information from our speaker Molly Tasker. Molly is a League member, attorney and is very well informed since she has worked for the federal government. When employed at the CIA, Molly worked as an operations officer and Assistant General Counsel. She retired as Chair of the CIA Publications Review Board. She had foreign assignments in West Berlin and the Middle East.

The title of her presentation was "*A Brief Overview of National Security Law, Ethics, Leaks, FISA and generally the Craft of Intelligence.*"

The National Security Act of 1947, following World War II established the United States National Security Council. The CIA was created under the National Security Act of 1947. A post -9/11 revision in December 2004, signed by President George W, Bush brought amendments. Notably, there was a revised definition of national intelligence. "The terms 'national intelligence' and 'intelligence related to national security' refer to all intelligence, regardless of the source from which derived and including information gathered within or outside the United States, that --

"(A.) pertains, as determined consistent with any guidance issued by the President, to more than one United States Government agency; and

(B.) that involves--

(i.) threats to the United States, its people, property or interests;

(ii.) the development, proliferation, or use of weapons of mass destruction; or

(iii.) any other matter bearing on United States national or homeland security."

Molly discussed different Intelligence Community Resources with regulations and policy statements and passed out information if we wanted more detailed accounts.

The CIA is not a law enforcement entity. However it does work with DEA (Drug Enforcement Agency) FBI, Homeland Security, U. S. Military, GWOT (Global War on Terrorism), and others following a complex collection of laws and regulations which address

**Ethics** - for example counterterrorism operations and the need to inform private U.S. entities such as airports, education facilities, etc. of such activities.

**Leaks** - This can include administrative leaks and/or possible criminal intent issues such as Snowden documents, or clear espionage by CIA persons such as Ames and FBI Special Agent Hanssen who passed information to the Soviet Union.

**FISA** (The Foreign Intelligence Surveillance Act)

What is FISA? "The Foreign Intelligence Surveillance Act of 1978 ("FISA" Pub.L. 95-511, 92 Stat. 1783, 50 U.S.C. ch. 36) is a United States federal law which prescribes procedures for the physical and electronic surveillance and collection of "foreign intelligence information" between "foreign powers" and "agents of foreign powers" suspected of espionage or terrorism.[1] The Act created the Foreign Intelligence Surveillance Court (FISC) to oversee requests for surveillance warrants by federal law enforcement and intelligence agencies. It has been repeatedly amended since the September 11 attacks."

Both the FBI and the CIA are vital to American security and information gathering. The organizations work cooperatively in some cases where their interests coincide, but have different agency focuses.

CIA has no law enforcement collection function and is mainly focused on overseas intelligence gathering, with only limited domestic intelligence activity conducted in coordination the FBI and usually related to international counterterrorism or counterintelligence.

In the seventy years of its existence the CIA has lost 125 officers in the line of duty while the FBI in its 117 years of existence has lost only 69. CIA officers do not carry fire arms except in war zones or under special circumstances.

There was discussion of Robert Hanssen who was an FBI agent who spied for Soviet and Russian intelligence services against the United States for 22 years before he was caught. He is presently serving 15 consecutive life sentences and did so much damage. There was also discussion of Edward Snowden who has been called a whistleblower, dissident, traitor or even a patriot.

The topic of Intelligence and Airport Security became so much more important after 9/11. However, it had been an area of terrorist interest and activity going back to 1985 when TWA 847 was hijacked and massacres occurred at the Rome and Vienna airports.

Molly recommended the book *The Craft of Intelligence* by Allen Dulles. Dulles was an officer of the CIA's predecessor--the Office of Strategic Services--and was present at the inception of the CIA, where he served eight of his ten years there as Director. She encouraged us to look at *The Craft of Intelligence* and imagine how a foreign intelligence service might be doing similar things to the United States.

Lucia Watson

## Natural Resources Chair – Susan Little

### Lunch with Thad Altman

by Maureen Rupe

On December 19<sup>th</sup> Representative Thad Altman had lunch with representatives from Preserve Brevard, Floridians Against Fracking, Space Coast Chapter of Sierra Club, Space Coast Progressive Alliance, Indian River Lagoon Coalition, and myself representing League of Women Voters of the Space Coast. It was a pleasant lunch, which Representative Thad Altman appeared to enjoy.

I read the League's priorities on Natural Resources: Question: The Florida Water and Land Conservation Amendment of 2014 passed with 75% of voters, but has never been adequately funded. Would you support legislation to mandate that land acquisition have the largest share of funds from the Land Acquisition Trust Fund?

Representative Altman gave a definite yes on co-sponsoring House Legislation, and stated his top priority is funding for both Amendment 1 Land and Conservation Florida Forever.

Representative Thad Altman stated he needs help with a massive public relations campaign to advocate funding Amendment 1. He asks to include letter writing, attending court hearings, collecting a million signatures and making a million calls.

LWV Florida Supports full funding of the Florida Forever land acquisition program and proper implementation of the Water and Legacy Conservation Amendment adopted in 2014.

Question: Would you support a statewide ban on fracking, and if not, how do you propose we safeguard our water and natural environment?

Representative Altman gave a definite yes. HB 237 is the House Bill against Fracking & Senate Bill 462 is its companion Bill in the Florida Senate.

2018 House Bill 237: Advanced Well Stimulation Treatment (Fracking)

Summary: Advanced Well Stimulation Treatment: Prohibits performance of advanced well stimulation treatments; provides that permits for drilling or operating wells do not authorize performance of advanced well treatments; provides applicability. Effective date: upon becoming a law.

HB 237 is assigned to the Agriculture & Natural Resources Appropriation Subcommittee. Representative Altman will speak to Representative Ben Albritton who chairs the committee about the committee hearing the bill.

HB 237 is assigned to the Natural Resources & Public Lands Subcommittee. Representative Altman

serves on this committee and will work with the chair Representative Holly Raschein to get the bill heard.

LWV Florida supports the ban of advanced well stimulation treatment (fracking) including but not limited to hydraulic fracturing matrix acidizing.

This was a very interesting and productive meeting. A meeting with seven people representing seven groups saved a lot of office time. I think our strength was in our unity between the different groups attending with one definite purpose.

## Education

### Linda Scales and Fran Baer Co-Chairs Reports from Co-Chairs

The Education Committee is pleased to announce that Dan Bennett will be the League's guest at the February 27<sup>th</sup>, 2018 Craft Beer and Conversation event at Hell'n Blazes (1002 E. New Haven Ave, Melbourne) from 5-7p.m.

The Committee had an opportunity to hear Dan at one of our monthly meetings and agreed that everyone can benefit from the knowledge and information he shared with us on the history and status of Charter Schools in Brevard and Florida.

Mr. Bennett is currently the elected President of the Brevard Federation of Teachers, the Union that represents Brevard's Teacher Professionals. As a certified teacher himself, he taught in Ft. Lauderdale schools before coming to Brevard in 2001 where he taught math and social studies at Space Coast Jr/Sr High and Central Middle School.

He holds BA and MA degrees from the University of Florida. We welcome Dan Bennett and invite all to attend to hear this informative, timely and critical presentation.

*Fran Baer Co Chair of the Education Committee*

Warmest thanks to all the League members who brought gift cards to the holiday luncheon. The \$995 in gift cards will greatly benefit the 2000+ students in transition (homeless students) attending Brevard Public Schools throughout the year. It is my hope that we can continue this tradition every year.

Also successful was the 3<sup>rd</sup> annual Macy's Holiday Gift Wrap Fundraiser which was held inside the Merritt Island Macy's from December 15<sup>th</sup> thru December 24<sup>th</sup>. After expenses (\$418) we raised \$4834!! Over the ten days we spoke to hundreds of people, educating them on this very important and often overlooked issue of homelessness as well as listening to their personal stories. You would be surprised how many local citizens are completely unaware of the extent of the problem.

*(continued on Page 6)*

## Education

(continued from Page 5)

Dr. Sally Shinn, the lead homeless liaison for BPS not only volunteered but also supplied us with an informational board to help the public further understand how this issue affects us all. Many thanks to Macy's for all their support; setting us up, supplying boxes and tissue paper. Thank you so much to all the League members who came out to help wrap gifts and support this effort. An extra special thank you to League members Terry Mott and Jo Shim who not only put in many days and hours wrapping, but also made themselves available at short notice when emergency help was needed. And last but not least, a huge thank you to my daughters Katrina and Jessica for all the long days they put in. You all made this fundraiser fun and successful! I look forward to making it even better next year!

*Linda Scales Co-Chair of the Education Committee*

## Events Coordinator Needed

A person may be reluctant to volunteer if one does not know what the position's true responsibilities are.

Hopefully one of our League members will step forward to be Events Coordinator. We have made changes so it is not such a time consuming position.

Events requiring help from an Events Coordinator are normally centered upon one part of our Program of Work such as Health, Local Government, Women's Issues, Education, Natural Resources, etc.

- It is the responsibility of the Committee led by Committee Chair to find a location for the Timely Topic, set the date and decide on a speaker or panel. The committee should take into consideration cost of meal. The committee will choose a title for the event. When this information is known, the Committee Chair will notify the Events Coordinator.
- The Events Coordinator will be responsible for being the **communicator** by passing the information on to the Board, giving information to Publicity Chair, Voter Chair and pass on information so it is posted on our website.
- Reservations for events are normally handled on the website but there is the option for members to call Doreen Archer with reservation and meal choice. Doreen is willing to continue to take the calls for awhile.
- For special fundraising events, the Events Coordinator has been responsible for the once a year event.

- Special fundraising events –Events Coordinator puts a call for volunteers to form a committee for the annual event and heads the committee.

Please Volunteer. You can contact a board member, President Barbara Williams or Doreen Archer.

Thank you for considering to be Events Coordinator. Being more involved with LWVSC is a rewarding experience.

## Information on Women of Action

We will be honoring Jacqueline Chandler, Stacia Glavas and Laurilee Thompson at our Women of Action fundraiser on Friday, February 10<sup>th</sup>.

### Stacia Glavas

Stacia Long Glavas is CEO/Founder of Brevard Rescue Mission, a non-profit formed in 2008 to break the cycle of homelessness among women with children. Glavas began her career on Capitol Hill as a legislative aide handling international trade policy, agriculture, and women's issues. She received a B.S. in Organizational Administration from Oklahoma State University (1985), an M.B.A. from George Washington University (1988), and a M.Div. from Asbury Theological Seminary (2009). After her time on Capitol Hill, Glavas worked as an international trade consultant and then launched her entrepreneurial career as a franchise owner of Maid Brigade, a residential cleaning service in the D.C. metro area. She built the business from 3 employees to over 100, and then turned it over to her husband Pete, who was a former tax lobbyist and Chief of Staff on Capitol Hill, who continued to grow the business, which is still serving thousands of homeowners in D.C., Maryland and Virginia. In 2001, the Glavas family of 5 sold their home and vehicles and moved aboard their 48-ft sailboat and travelled for 2 years from New England to the Bahamas while "boatschooling" their children. In 2003, they settled in Brevard County, FL and set down roots. As she was finishing her seminary degree in Orlando, Glavas served as Asst. Pastor at Georgianna United Methodist Church in Merritt Island. It was a divine appointment when she met a near-homeless woman in front of her home in 2006, which eventually led her to found Brevard Rescue Mission, which has housed more than 100 families, moving them toward self-sufficiency and transformed lives. Glavas' entrepreneurial spirit is evident in the rapid growth and success of Brevard Rescue Mission. Glavas has been married since 1985, has raised three daughters, and lives in Rockledge, Florida.

*(continued on Page 7)*

## Women of Action from Page 6 continued

**Jacqueline Chandler Founder, President and Chief Executive Officer**  
**I AM PROOF®**  
**and Chairman of the Board**

Miss Jackie (as the boys know her) has an undergraduate degree in business and sociology from University of Maryland and holds master's degrees in Human Resource Development and Public Administration from Webster University. She is also a twenty-three years Air Force veteran, where she served as a highly decorated and respected program director and trainer. She has participated in countless community activities involving families and youth programs and is an active member of the Women's Prosperity Network (WPN), Lead Brevard, Boy Scouts Troop #365, Cocoa Beach Chamber of Commerce and the YaYa Book club. She began I AM PROOF® to provide life skills needed to build character and self-determination. **"We are here to start a movement!"**

I AM PROOF Background - I Am PROOF, Inc., is a 501(c)3 group-mentoring program for preteen boys and young men ages 11-18. It is structured to give preteen boys and young men the opportunity to explore an individual sense of self, through the 5-tier training and coaching platform, designed to produce future leaders. The I Am Proof (IAP) program is delivered at no cost to the participant, and is funded through individual donations, and community sponsorship. Mentors and instructors explore positive ways to build strong relationships with parents, teachers, and family members, while promoting the individual growth of the mentee. P.R.O.O.F Promote, Responsibility, Opportunity, Outcome through Faith and self-determination.

**Laurilee Thompson**

Laurilee Thompson is a fifth generation Floridian and lifelong Brevard County resident with an unshakable commitment to the natural resources of Central Florida, including the Indian River Lagoon. She is the co-owner of Dixie Crossroads, a southern seafood restaurant in Titusville, FL with international name recognition and a menu that features locally caught seafood. Laurilee is an avid naturalist with a pragmatic eye to the sustainable use of natural resources. She is the driving force behind the highly successful Space Coast Birding and Wildlife Festival and serves on numerous boards related to tourism, the environment and fishing. She is a recognized constituent in both Tallahassee and Washington, DC where she is a regular proponent for the restaurant industry and the U.S. commercial fishing industry.

**Website and Social Media 1<sup>st</sup> Quarterly Meeting.**

Left to right are Jo Shim, Terry LaPlante, Francine Pease, Lucia Watson, Lorraine Koss, Audrey Grayson, Susan Little and Barbara Williams.

Photographer was League member Vinnie Taranto who is also a League member and contributed to our discussion. The next quarterly meeting is scheduled for Saturday, April 28<sup>th</sup>. Members are encouraged to attend.

**Members are welcome at all meetings~**
