

Tentative Schedule of Events for the 2019 Reno Rally

Wednesday 5 June - Arrive

Post drive vehicle inspection and clean up

Hospitality Center Open

Thursday 6 June –

Option #1: **M.S.Dixie II cruise Lake Tahoe and Emerald Bay**

This cruise will leave from Zephyr Cove on the southeast side of Lake Tahoe, cruise across the south side of the Lake, and enter Emerald Bay. You will see the Historic Vikings Home State Park and enjoy one of the most photographed spots on the globe. In addition to narration, your authentic paddle-wheel vessel has available food and beverage. This is a scenic cruise that you will cherish the memories. Cost \$65

Option #2 : **Drive to historic Virginia City**

Going to Virginia City will be an option to doing the M.S. Dixie II cruise. The drive up to Virginia City is not only beautiful, but can be a lot of fun in a Pantera. The city itself dates back to the mid 1800's and has been remarkably well preserved. It is a little touristy, but you'll really enjoy going through all the various shops, bars and small museums.

Hospitality Center open

Slick Track Go-Kart Racing and pizza

This evening you will have the option of joining us for go-kart racing and pizza. We will be using a "slick track" road course whose surface is a great equalizer. If they think we're getting too fast they will start spreading "dance wax" on the course. Traditionally the spouses have had at least as much fun as the guys. Pizza and soft drinks will be provided. Cost \$25.00

Friday 7 June –

Breakfast at Larry Stock's Pantera Parts Connection

Larry Stock will be hosting a complimentary breakfast at his Pantera Parts Connection in Carson City. It will give you a chance to meet Larry and see all the parts and services that he has to offer. **Extra!** For those interested, there will be a tour of the **Bliss Mansion** before leaving the area.

Option #1: **Spirited "Brunch Run" in the High Sierra**

This run will remind you as to why you love your Pantera. We will go west on I80, north on hwy 89, then head west on hwy 49. This is one of those mountain roads whose speed limit has defaulted to 55, while most cars struggle to do 40-45. Between the awesome beauty and the driving experience, you will have a huge grin on your face. After lunch at Bassetts, we will continue just up the road to the scenic overlook for the Sierra Buttes.

Option #2: The Sierra Boat Works at Carnelian Bay (Lake Tahoe)

An option to the "spirited drive" is a visit to the Sierra Boat Works on the north shore of beautiful Lake Tahoe. They specialize in restoring classic wooden boats from the 1920's, 30's 40's and 50's. Their workforce gets as much pleasure looking at our Panteras as you will from seeing their whole operation, their craftsmanship is extraordinary.

Hospitality Center open

Dinner at the National Automobile Museum

The National Automobile Museum was spawned from the original Harrah's collection and is rated as one of the top ten auto museums in the country. They normally have about 220 vehicles on display, and the way they're displayed is better than any other collection I've seen. We will also enjoy an excellent buffet dinner as the museum is ours for the evening.

Saturday 8 June - Public Car Display/Car Show

Tech Session

Hospitality Center open

Banquet and P.O.C.A. Raffle

We'll wrap up our glorious event with our traditional banquet, our guest speaker **Peter Brock, and the P.O.C.A. Raffle.**

Sunday 9 June - Coffee, Donuts and say Good-Bye
