

Presents the
Arizona Speed Trials
at
Wild Horse Pass
West Track
Chandler, AZ
Thursday and Friday, April 23rd – 24th 2020

Information, schedules, and tech requirements will be in the upcoming POCA Newsletter, POCA website, and the AZPOCA website. You can refer to them for questions or contact our Motorsports Coordinator: Kevin Hubby at 480-694-3552 or by sending an email to: kwhubby1@msn.com

We are trying to offer very reasonable pricing for quite a bit of track time in order to encourage your participation. Drivers can sign up for one or both days, and signing up for an additional run group can double our seat time. **Don't forget, the earlier you sign up the cheaper the pricing! Event T-Shirts will be given to all registered participants.**

First Timers will enjoy a special rate of one day for \$200 or both days for \$310. This rate is only for First timers driving a DeTomaso car in Group C. There will be no deadline requirements but all other requirements must be met.

There will be 3 run groups. **The A run group** will be for drivers with a valid race license or those who have received approval from one of our driving instructors, and will be broken down by car type. **The B group** will be for drivers with more than 4 days of experience and feel comfortable in an open track environment. **The C run group** will be for those drivers with 4 days or less of track experience. This group will receive both track time and classroom instruction making it the perfect group for the beginner or novice. To keep the groups from being too large, each group will be limited in size. In addition, all groups will be able to participate for free in the 20-minute pace car controlled morning warm-up session and the 45 minute lunchtime pace care controlled touring session.

Spectator Guide

The track will not only be a great place for the participants, but also for the spectators as well. All spectators will be admitted free. The lunch time track tour is at 12:10pm which gives everyone the opportunity to drive on the track at a brisk yet safe speed. The cost is \$25/car starting at 11:00am. You can hitch a ride with someone in group B or C for an exciting trip around the track at speed. You can also have something to eat as food service is available. Then find your favorite spot to watch the race! At 1:00pm we let the best of the best compete in Pantera Unlimited, Modified, and Street classes for the 2020 Championship. We even toss in some Brand X cars just to make it more interesting. Don't forget your camera! You won't want to miss the highlight of the Fun Rally!

Event Sponsorship

We are still organizing the sponsorship which helps make this event possible. Driver entry fees only cover a portion of the event's expenses. Sponsorships by individuals and businesses are crucial if the event is to thrive. Sponsors receive recognition in the official event program and are publicly recognized. Contact Kevin Hubby 480-694-3552 or email kwhubby1@msn.com for more information on the various levels of sponsorship.
