© CROSSGATE 2024-2025 BIBLE READING GUIDE

How To Use This Guide

The Crossgate Bible Reading Guide is designed with quality over quantity in mind. The goal here is not just to acquire "informational" knowledge about the Bible. It is to have a "transformational" time with God each day as we "read and reflect" on God's Word and spend time in prayer.

Here's How It Works

- Spend some time in silence and solitude, removing distractions and quieting your mind and heart before the Lord. Then, ask God to speak to you through the Scriptures.
- Read 1 chapter per day, 5 days per week (a few weeks will have 4 chapters; some will have 6 chapters). This pace should allow you adequate time to "read and reflect" each day and to catch up if you fall behind.
- As you read, journal your thoughts using the H.E.A.R. method below.
- Spend time memorizing the memory verse for the week. You might consider writing it down and putting it somewhere where you will see it often.
- Spend focused time in private prayer and worship each day.

The H.E.A.R. Method of Bible Journaling

The acronym H.E.A.R. stands for Highlight, Explain, Apply, and Respond. Each of these four steps contributes to creating an atmosphere to hear from God.

Highlight: After reading the passage of Scripture, highlight a particular verse or verses that speak to you by copying it under the letter "H" in your journal.

Explain: After you have highlighted the passage, write the letter "E" and explain (to the best of your knowledge) what the verse(s) means in its original context.

Apply: Next, write the letter "A". The application is the heart of the process.

Consider how the text specifically applies to your life and write it down.

Respond: Lastly, write the letter "R". Now that you've identified how the text applies to you, consider a practical and specific way that you can obediently incorporate it into your life. This may be an action step, or it may be a prayer.
