

Realm is one of our primary platforms that we use to connect with each other using photos and personal contact information that we might not share on social media platforms such as FB, Instagram, etc. Think of this part of Realm as a Church Directory.

This directory gives you control of your personal data that others can see (or not see, it is your choice) From Realm, you can up-date your email address, mobile phone #, upload your latest picture, etc. (There is no need to submit changes through our business office, now you can update that information at your leisure.)

Also, if you have a **Realm account** you can register for events, give online, receive church-wide communication, and much more.

If you have not received an invitation to join **Realm** please contact **Brian** to get your invitation.

NOTE: You must be a member or associate member to join Crossgate's online directory.
