

VBS in the Parks 2015 was a huge success thanks to God's blessing of your hard work! Overall we had more volunteers AND people from community attend VBS, and at least 4 people give their life to Christ. We witnessed the Gospel impact an adult in Linden Park, 2 community children from Wade St. Park and one of our Crossgate member's daughter! God was gracious with the weather and we are thankful we didn't have to cancel a single night!

VBS in the Parks is not possible without the efforts of the church as a whole and we would like to thank each person that pitched in. Whether it was teaching a Bible lesson, making crafts, transporting tables, or grilling hot dogs, Crossgate showed her selfless servant's heart last week, and as a result people heard the Gospel. We look forward to next VBS in the Parks being an Epicenter of God's activity from which He will shake the nations for His glory as we Lead, Equip, and Send in the name of Christ.

Thank You!

Adam Brown
Family Ministries Pastor to Children
