MSC

WE BUILD SUCCESS, ONE CUSTOMER AT A TIME.

MSC is a global leader in the container cargo industry, with our on-task and in-touch professional team.
We understand that it is the human element that drives and sustains business, progress and partnerships.
We celebrate each new customer, while continuing to give our best, personalized and loyal service to our clients.

MSC: A Global Leader, Standing Firmly At Your Side.

fact

Minimizing the distance from rail terminal to distribution center reduces diesel particle emissions & burns less fuel, saving you money.

Your direct wave between the US Gulf and Southern Africa

Just as a wave takes the most direct route, so too does GAL's service between the US Gulf and Southern Africa.

We sail straight between North America and Southern Africa. No extra stop-offs in Africa or Europe, so there's no chance your shipment will miss a connecting vessel, no risk that a client will be kept waiting for freight stranded on the wrong side of the Atlantic.

Our multi-purpose vessels sail 20 times a year, carrying containers, bulk and breakbulk cargo reliably and quickly.

For more information, contact a GAL representative at 877-GAL-SHIP, via email to rates@galborgusa.com, or visit us on the web at www.galborg.com.

GAL: Between the US Gulf and Southern Africa, we are the wave.

Reliable ocean transportation solutions

Clipper Projects is a strategic business unit of Clipper, one of the world's largest shipping groups. Our versatile fleet consists of vessels ranging from 5,000 to 18,000 DWT. With lifting capacity of up to 400 metric tonnes, and the ability to handle cargoes of up to 77 meters long.

We draw on the expertise and resources of a highly professional staff and a global network of offices. Clipper Projects remains dedicated to providing reliable and competitive ocean transportation solutions. When it comes to the sea, the sky is the limit.

Clipper Projects Parcel Service offers monthly service from US to North Africa, the Mediterranean and Middle East. For schedules please visit www.clipper-group.com.

From the very beginning, Intermarine has distinguished itself and earned repeat clients by focusing on personal service and innovative solutions. Intermarine's vessels and systems are vital, but at the end of the day, it is our people managing those resources that make the difference. To exceed expectations requires people with knowledge, experience, and most of all, an attitude for success. It requires the people of Intermarine.

Some call it flexibility, we call it speed of service

The secret of efficient cargo handling is in speed and flexibility, and with versatile vessels built for multipurpose cargo handling, that's exactly what Nordana offers. The RoRo vessels operating in our Liner services between the US and the Mediterranean, as well as between the US and West Africa have been custom built for their particular markets. Following in their footsteps, the new generation of vessels now being delivered to our Project Division are custom made to suit the requirements of today's worldwide cargo transport.

To find out more about our flexible cargo handling, please visit www.nordana.com

HOT, SPICY & FULL OF FLAVOR

Call now for your FREE bottle of hot sauce. (Really!) Ph: 1-800-874-8050

How Hot Can One Port Be?

Here's an idea: we've been named one of the top 10 "Hottest Cities for Business Expansion and Relocation" by Expansion Management; one of the nation's top 10 "Hottest Cities" for job growth by Business 2.0; and the nation's hottest (fastest growing) "U.S.-foreign trade gateway" by Global Insight, Inc. *Whew!*

JAXPORT -- It's HOT!

JAXPORT
JACKSONVILLE PORT AUTHORITY

PERFECT FOR THESE & MORE!
RO-RO
BULK
BREAKBULK
CONTAINERS

*Ingredients: Strategic location in northeast Florida; new container terminal; outstanding rail connections to CSX, FEC and Norfolk Southern lines; three interstate highways including I-95, I-75 and I-10; on-dock rail; seasoned Puerto Rican and Latin American service; new direct service to Asia; experienced and stable labor; 50 million consumers within 8-hour drive. What's not to love?

SUDDENLY, EVERY OTHER REEFER-MONITORING SYSTEM IS FOR THE BIRDS.

GUARDIAN SERVICE

Welcome to total peace of mind. With the Sea Star Line Guardian Service, you'll have immediate Web-based access to real-time data on your refrigerated cargo, including GPS location, USDA probe temperatures, reefer running/stopped events and set/supply/return temperatures.

Because the Guardian Service uses wireless rather than satellite technology, you'll have true 24/7 access to data, with no dead zones due to weather or inland transport. Just as important, any reefer alarms are pushed immediately to operator screens and sent via e-mail and SMS so immediate actions can be taken. Guardian Service is available on every Sea Star Line refrigerated container, marine terminal and vessel. We are the only carrier in the Puerto Rico trade that can offer the Guardian Service. It's the most effective way to reduce claims, guarantee product quality—and achieve true peace of mind. Contact your Sea Star Line sales representative today!

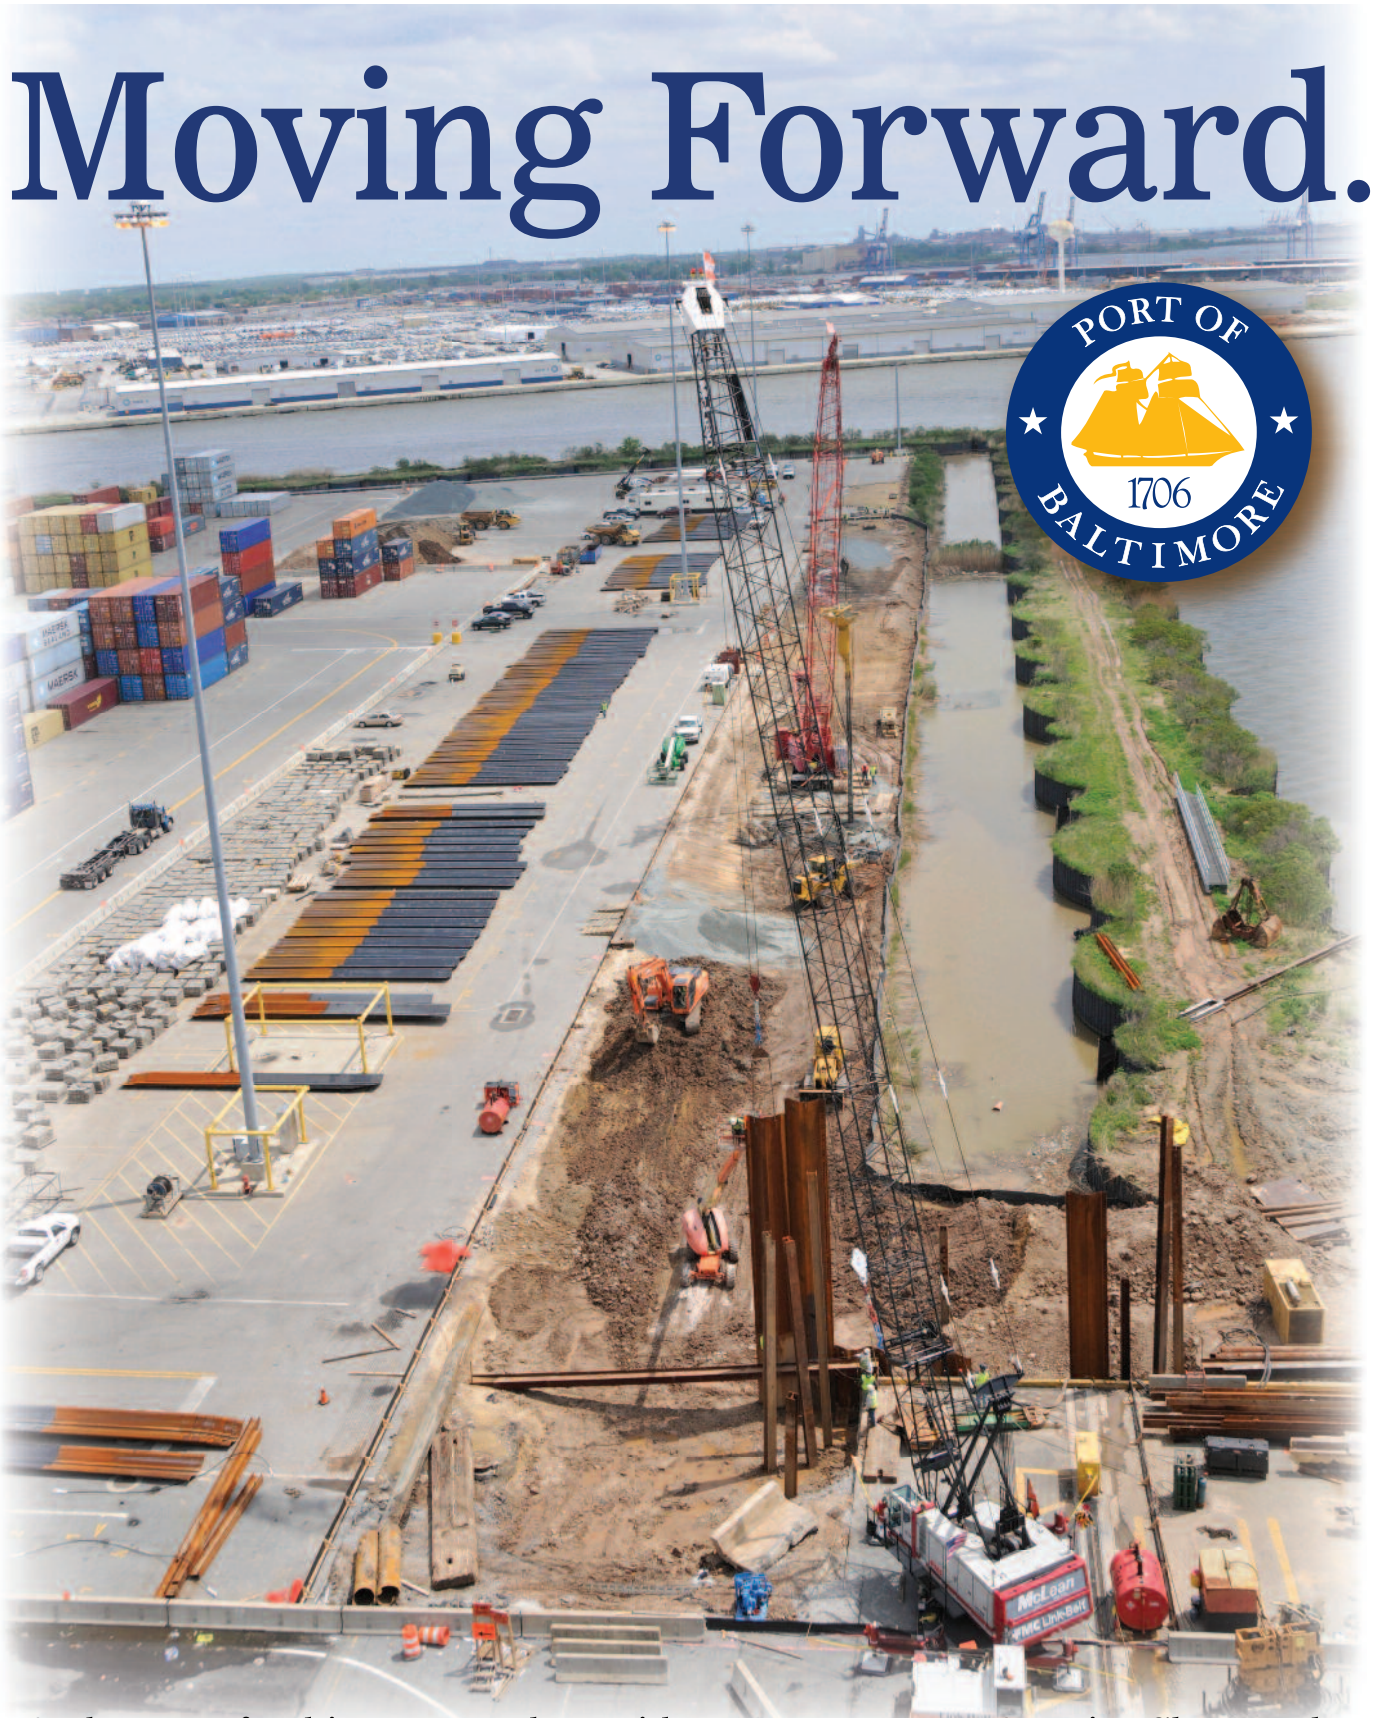
Moving Forward.



At the Port of Baltimore, we, along with our partner Ports America Chesapeake, are constructing a new 50 foot berth at our Seagirt Marine Terminal. We don't just rest on our successes from the past, we look to the future to ensure our customers have the best available technologies and resources.

Providing customized Transportation Services to diversified industries that span the globe

Universal
Truckload Services, Inc.

Dedication to customer satisfaction is our first priority. Universal Truckload Services is proud to offer customized solutions — both domestic and international — for our customers' truckload, brokerage and intermodal needs.

Truckload Services - Featuring specialized logistics solutions for manufacturers. Currently operating over 3,500 tractors which include flatbeds, vans, hotshots and equipment operations in heavy-haul and over dimensional business.

Intermodal Dray and Rail Support - Storage, repair and maintenance services for international customers through various U.S. ports and cities. Local and over-the-road transport provided for delivery to rail and steamship containers at railhead or port.

Logistics, Intermodal and Freight Management - Offering a wide array of services: Transportation Management; International Shipments; Door-to-door; Warehousing; Supply chain engineering.

Full-service International Freight Forwarding and Customs House Brokerage services -
Custom Clearance • Import Transportation Ocean Freight • Airfreight • Comprehensive Documentary and Cargo Insurance

Our growing family of transportation providers share our commitment to safety, quality, product integrity, and timeliness:

A Unique Perspective

From the Pacific Rim to the Atlantic basin and all of the oceans in between, COSCO uses almost a half century of experience sailing the world to help you move containerized cargo quickly, securely and cost effectively.

With one of the world's largest fleets and equally vast resources for simplifying the logistics challenge, COSCO has advanced the science of supply chain efficiency far beyond the port, customizing and streamlining the process exactly to your requirements. Find the value in a relationship with COSCO. Call our North American headquarters or one of the hundreds of local COSCO representatives worldwide today.

Ship with Confidence. Ship with COSCO.

The fresh aroma of early morning coffee
fills the air and your senses.
But, behind the scenes, the very source,
the voyage of those coffee beans,
is another story of itself.
The hard work of so many people teaming up
to make sure that each and every day in life
can have that same aroma
-- is quite a journey indeed.

From the very beginning of a day,
Yang Ming stays with you and works for you.

SWIFT TRANSPORTATION

BEST IN CLASS

SWIFT TRANSPORTATION

Safety, Service, Speed.

Swift has supply chain activities linked.

As a Best-in-Class carrier we offer every solution to leveraging worldwide logistics. From international container and intermodal to temperature controlled or domestic trailers, we've got you covered. Backed by the largest asset-based company in the industry, Swift capitalizes on its 40-year history as a transportation leader synchronizing supply chain with demand and measuring performance globally.

Our transload service facility located in the Los Angeles heavy container corridor aids in the movement of overweight ocean going containers and has capacity and capability to provide a 24-hour turnaround time. Swift's simple transload objective is designed with the intent of minimizing the handling of the goods and creating net value. Secure, cost-effective and efficient.

Over-and-above, our entire fleet of Port trucks are green. We are environmentally friendly and help to reduce our carbon footprint through sensible energy reductions.

Call Swift to compete in a networked economy.

THE STORY OF AN ICE CREAM COMPANY, A GIRL WITH A SWEET TOOTH AND THE 2,300 MILES IN BETWEEN.

Now, nothing comes between refrigerated or frozen goods and the people who want them—because NFI has added state-of-the-art containers that maintain a consistent temperature as low as -20°F. Since these fully insured intermodal containers have a 120-gallon fuel tank, there's little need for refueling en route—and less of a chance for variations in temperature. For a quote or more information, call Mike Hayden at **800-766-0919 x 5531,** or visit us at **nfiindustries.com/nfi-difference/case-studies**

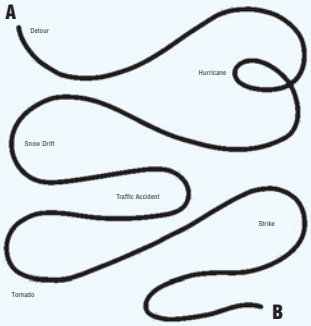
LOGISTICS • TRANSPORTATION • DISTRIBUTION
NFI

A 120-gallon front-mounted fuel tank ensures consistent temperatures as low as -20°F.

-20

An alarmed monitoring device gives NFI full visibility on inside and outside temperatures throughout the journey.



Even ice cream is no problem with these high-tech intermodal containers. We've proven that product quality can be maintained—even for the long haul.

Each container is designed to withstand high-loaded double stacking on rail. And a high-capacity tank ensures greater distance between refueling.

JOCSailings

UBM Global Trade

Your Global Transportation Resource.

Visit JOCSailings.com.

- Search for worldwide shipping schedules — search by region, country or port name
- Search the Carrier and Vessel Directories — retrieve pertinent information on both
- Read industry news daily — get updates on carrier, port and maritime news, rules and regulations
- Access JOC Ports — get links to major port information including statistics, port guides and resources

Take a closer look at the new JOC Sailings today and sign up for our weekly enewsletter – FREE!

ALSO DESCRIBES THE TRADE DATA USED BY BUSINESSES TO GROW

To make the best decisions for the success of your company you need the best input.

PIERS maintains the most complete database of import information and the only database for export information. PIERS trade data is standardized and verified by industry experts and then further enhanced with additional intelligence. Major ship carriers use PIERS for market share analysis; key importers and exporters discover new markets; and Government organizations use it to validate their own reports. All of this makes PIERS your best and most refined source to find customers, partners, shippers and suppliers.

PIERS
THE STANDARD IN TRADE INTELLIGENCE

piers.com

Intelligence harvested from PIERS. Expand opportunities in new markets now.

Partners in Innovation

By working closely with the ports we serve, terminal operators, and ocean carriers, our network of port gateways on all three North Amercian coasts offers our customers a truly seamless transportation solution, right from the container vessel discharge at the port to hot-shot rail transit to destinations across North America.

www.cn.ca **1.888.668.4626**

CN

You deal in promises. With Domestic, Expedited, Global and Technology offerings, the people of Old Dominion take the promises you've made as personally as you do.

OLD DOMINION FREIGHT LINE

Right down to the driver moving your freight. In fact, we like to think that whatever business you're in, that's the business we're in.
