

Interview Live Reminder (day of)

Overview of template:

This is an important one because with the help of your guests, you could be getting a whole lot more exposure than you're currently getting (especially if you're just starting out).

IMPORTANT

Do not copy this template word for word. We've provided this as an example so you can use the ideas and flow, but in your own words. Every Podcast is unique – make it your own!

XXX,

Your interview is LIVE and will be listened to by thousands of Fire Nation faithful today! Thanks again for rockin the mic and providing massive value throughout our chat.

I want to make it super easy for you to share with your audience, so enjoy the one click share options below! (You can use a site like sharelinkgenerator.com to create the one-click share links.)

Here's the direct link to your show notes page: **<direct link to show notes page>**

I would be so thankful if you shared!

I've also attached an image you can use on various social media channels, along with a badge for your website. And here's some recommended copy you can tweak and use on social:

*I'm excited to share my interview on the X podcast with host YZ! During our chat we talked about topic A, B, and C. If you're ready to do A, B & C, then tune in! > **link to show notes page***

Thank you again so much for sharing your time to help inspire my audience; I'm so grateful!

If there's anything I can do to help support you, please let me know.
