If Customer chooses to represent its own interests in any such action, Customer may do so at its own expense, but such representation must not prejudice Infor's right to control the defense of the Claim and negotiate its settlement or compromise.

c. **Effect of Termination.** Upon the effectiveness of expiration or termination of the Subscription Term, this Agreement shall terminate and Customer's rights to the applicable Software and Subscription Services shall immediately terminate. Expiration or termination of this Agreement will not release either party from making payments which may be owing to the other party through the effective date of such expiration or termination. Any such assignment by Customer must be in its entirety; Infor may assign partially to effectuate a change of control with respect to a product or business line. Any attempted assignment or transfer in violation of the foregoing will be void.

13. No Waiver. A party's failure to enforce its rights with respect to any single or continuing breach of this Agreement will not act as a waiver of the right of that party to later enforce any such rights or to enforce any other or any subsequent breach.
