SUMMER

Contents

#Connectivity19

We're looking forward to welcoming you to this event. If you'd like to access all of our previous and future conference events, be sure to check out the Accelerator membership (opens July 18-25).

Live Day Access

CLICK HERE TO ENTER ON JULY 18 AT 10AMET

LOGGING INTO THE LIVE CONFERENCE PLATFORM IS EXTREMELY SIMPLE. JUST **CLICK HERE** ANYTIME AFTER 9:45AM ET 7/18/19

Enter the email address you used to register (the one where you're getting our emails).

When the conference goes live at 10AM ET on 7/18/19 you will see the video presentations begin. If you try to login prior to this time, you'll see the screen but no sessions will be active. You can chat and download handouts right from your screen.

VIDEO TUTORIAL SUPPORT

Watch these short video tutorials that walk you through how to login to the live day platform, on-demand access area and how to get your PD certificate.

VIEW VIDEOS HERE

OTHER LIVE DAY LOGIN FAQs

KEEP THESE HANDY FOR TROUBLESHOOTING!

You may login via desktop, laptop, phone or tablet and there is no need to install any software. CHECK YOUR CONNECTION! You'll want a high speed/broadband connection if at all possible. The conference will work on a mobile device, but the best viewing experience will be on a high speed connection.

WE HIGHLY RECOMMEND USING A PERSONAL DEVICE (desktop computer, laptop, tablet, etc) and not a school-issued device if possible. Some school-issued devices have security blocks that may prevent you from viewing the live event or on-demand website videos.

If you ARE using a school-based device, please ask your tech department to make sure that the following websites are unblocked for you:

https://commpartners.com

https://educationcloset.com

** PLEASE NOTE THAT THE LINK ABOVE WILL NOT BE ACTIVE UNTIL 15 MINUTES BEFORE THE START OF THE CONFERENCE AT 10AM ET TODAY.

**Having any trouble the day of the event?** Contact our support team via phone at 1-800-274-9390 or via email at steamconference@commpartners.com

CONFERENCE ON-DEMAND ACCESS

On-Demand Access

CLICK HERE TO ENTER ANYTIME

CAN'T MAKE IT THE DAY OF THE CONFERENCE? MISSED A SESSION? NO PROBLEM!

JUST **CLICK HERE** ANYTIME FOR ON-DEMAND ACCESS.

Remember that you already have on-demand site access. You can login there now to view the breakout sessions.

This will also be where all of our live sessions are archived. You can view the live sessions in the on-demand site anytime after 10AM ET on July 18, 2019.

Login using your email address that you used to register for the conference. Your password was sent in a previous email.

Once you login, scroll to the bottom of the training library screen, click on the Summer 2019 Conference portal and you're in!

Need help? Email us here and we'll make sure you can get in and access everything.
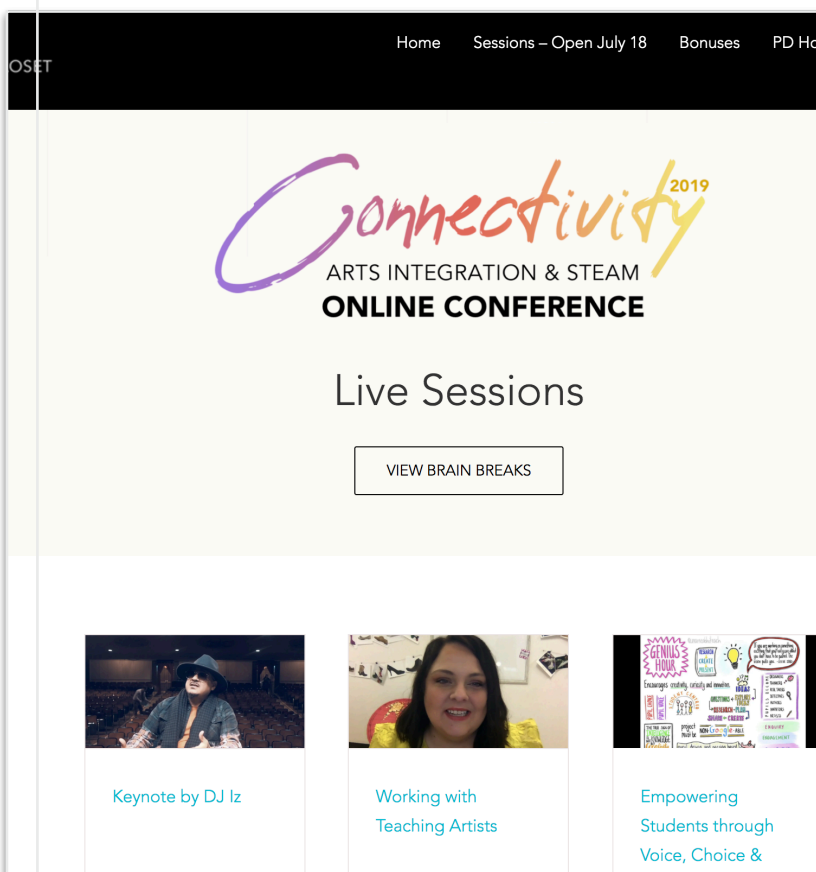

Connectivity

PD CERTIFICATE + GRADUATE CREDIT

PD Hours and Optional Graduate Credit

THIS EVENT COMES WITH 10 PD HOURS + 1
OPTIONAL GRADUATE CREDIT**

If you are attending live with us, please be sure to wait until the conference is over and then click on the link on the screen telling you to download your PD certificate.

That link will appear on your screen around 4PM.

When you click on it, you'll find a PD certificate of 10 hours with your name on it which you can then either right-click and save to your computer, or print directly from that screen.

If you are viewing the conference on-demand at another time, you'll find the instructions for obtaining your PD certificate through the PD Certificate Tab on the site menu.

IF YOU REGISTERED FOR GRADUATE CREDIT:

Upon completion of the conference (live or on-demand), please send a written 2-3 page implementation plan to Holly Valentine at holly@educationcloset.com **no later than July 25**. Please explain how you intend to use what you've learned at the conference directly in your classroom.

Once received, Holly will submit your final grade into the CSUSM system and then will send you a transcript at the close of their semester term.

** You must have registered for the optional graduate credit no later than July 16, 2019 to access this option.

Connectivity

FREQUENTLY ASKED QUESTIONS

Frequently Asked Questions

1. How do I access the conference?

Please use the links provided above no more than 15 minutes prior to the start of the conference today at 10AM ET. If you don't see the conference screen, try a little bit closer to 10AM ET (9AM CT or 7AM PT)

2. What if I can't watch the entire conference live?

That's okay! The on-demand link we shared provides you with access to anything you might miss. Even if you have to leave and come back later, you can still go to the on-demand site and see any presentation or download any handout missed while you were away. This is available with lifetime access, so there is plenty of time for you to see everything.

3. How can I make this a great experience?

We highly encourage you to participate! You'll be able to click on the chat tab in the platform and chat directly with our presenters and other participants. Engaging in these conversations is a powerful way to truly get the entire conference experience. We also recommend that you participate in the fun "brain breaks" and take advantage of being able to get up, walk around and grab a drink/snack whenever you need to.

4. What if I have technical issues?

If possible, try to ensure that you are using a high-speed internet connection. If you are still having issues, please try the following steps:

- Refresh your page
- Try a different browser (we really like Google Chrome or Firefox)
- Restart your computer or try a different device

In the unlikely event that none of the above steps work for you, please don't stress. That is why we have the on-demand site! You can find each session right there so that you can follow along with everyone else and try again to access the live event in a few minutes.

We look forward to seeing you at the conference and if you have any questions, please don't hesitate to give us a call or send us an email using the information above. We are here to help ensure you have an incredible learning experience!

If all of the above steps don't work, please send our tech support team an email at steamconference@commpartners.com or call 1-800-274-9390 on the day of the event.
