Non-discountable items with a 5 prefix are excluded from any discounts.

School Specialty supports Education Closet's Art Integration & STEAM Online Conference because it reflects our view of how project-based learning utilizing art, math and science can meet educators' and students' needs.

As a supporter of the conference, we are offering savings on materials that can help you implement solutions for MakerSpaces, Art Integration, STEAM and other concepts presented here.

School Specialty is Your One-Stop Source!

You can get everything you need to implement STEAM and Arts Integration all from one source with School Specialty. Get ideas, resources and solutions for integrating the arts into your curriculum, developing successful STEAM lessons and creating exciting MakerSpaces.
