Bin Habib Endurance, formally Al Awir Endurance, was established in 2004 by myself, Abdulaziz Alredha.

A former jockey the racehorse trainer. Took to Endurance in 1997 and got stuck. As one of few private stables in the UAE at the time we enjoyed numerous successful seasons with many horses.

Success, in our view, is not by how many races you win Rather how races completed and for how many seasons the horse will enjoy the sport.

The team in Bin Habib Endurance is headed by the experienced Layla Alredha. A champion rider in her own rights and a great horse woman.

We are pleased to be part of the South Island Championship and honored to have the chance to support the sport wherever possible.

We wish you the best of luck and a great champs.

Yours

Abdulaziz Alredha

"WELCOME"

On behalf of the Organising Committee and Clayton Station, I would like to welcome you all to the 2023 ESNZ South Island Endurance & CTR Championships.

Once again, Clayton Station has welcomed us with open arms. We are very appreciative to both Clayton Station and Fox Peak Station for allowing us access to their fabulous properties for our event. Hamish Orbell and stock manager Johnny Andrews have been so accommodating to our many requests.

The Mackenzie Club is small but dedicated. Our own OC members have put in many hours to bringing this event together. Without them also we just could not have hosted this event.

We are excited by the good number of entries. This is the first Championship event to be held in the South Island post all the Covid interruptions & regulations so let's make it a celebration of our sport going forward & rejuvenating.

To the numerous sponsors, thank you for your support of endurance and I hope you get as much from the sport as we do. We truly value your support in what is tough economic times for many businesses.

No endurance event can go ahead without a track and Alastair has marked and created this track single handed, in between running our dairy farm and training a few horses. There have been some challenges this year with a wet spring & summer making some new track he had found unsuitable, so there is a lot more common ground than he would like, but it will still be a fabulous track I'm sure.

Finally to all competitors, officials, vets, ground crew ,supporters & strappers, thank you for supporting our event. We wish you a successful & enjoyable weekend.

Louise Holmes

President of the OC

ESNZ South Island Championships 2023 Organising Committee-

Alastair Holmes (Club President).

Sue Billigheimer,

~ Clayton Station ~

In the heart of the beautiful Mackenzie country

Clayton Station is in the Fairlie Basin at the foot of Fox Peak in South Canterbury. Was bought by Hugh Hamilton in 1881. The homestead, a small stone building, was built in the 1860s and was added to over the years. It was owned by Ruth and the late Andrew Orbell (1997). It is currently being run by their son Hamish & Anna Orbell under the name Clayton Station Ltd.

Clayton Station is a 4100 hectare station, comprising both intensive flat land and high-country farming. They are currently farming 3,000 red deer, 9,500 Romney Texel sheep and 1,300 Angus cattle.

Fox Cottage is a luxury 4-bedroom holiday home situated on Clayton Station in Fairlie. With panoramic views of the Two Thumb Mountain range, guests will be ensured a peaceful and relaxing holiday whilst enjoying the stunning night sky that the Mackenzie Region is known for.

There are many tracks available on and near the station, plus the North Opuha river runs alongside the cottage. Fox Cottage is an ideal location for those interested in hiking, mountain biking, fishing – or for those who wish to experience life on a New Zealand high country station.
