This team event is open to secondary school year 9 – 13 students. Teams are made up of 4 riders, and riders can enter three classes at any height. One of these three classes must be an equitation class and to gain maximum points, three classes must be entered. Points for overall team championships are taken from two hunter classes and one equitation class.

Intermediate school year 7 – 8 students can enter as individual riders, according to School Sports NZ eligibility regulations. These riders are eligible for class placings but are unable to compete in a team; therefore, their scores are not counted towards the overall team points.

Equitation classes are judged on the rider's style and ability and not the horse's jumping ability. The round must still be as smooth and as seamless as possible. Courses are usually more technical and test the rider's aptitude for adjustment and schooling and self-discipline. This class is judged solely on you, the rider, and your ability to accurately follow course plans and the course designer's instructions.

Please read the general conditions before you enter. It is each competitor's responsibility to know the rules and conditions of the event.

General Conditions

Entries:

- All schools should enter their students in teams of up to four members. Year 7 and 8 students are entered as individuals, by entering a separate team with their year 7 and 8 riders. Entries must be completed by the team manager. Please ensure your school and year level are entered in your My Account on EvoEvents. A school contact email must be supplied by all entrants to confirm that they are endorsed by the school.
- If a rider has two or three horses, then each is treated as a separate combination for point scoring, and each horse must be in a separate team.
- If schools do not have a full team, they will be placed into composite teams by the event organisers.
- Riders are limited to a maximum of three horses at the event, should numbers permit.
- Entries are online via EvoEvents. By entering online, you are making an agreement with the Event Organisers and all fees are due. Entries not fully paid at the time of entry will not be accepted but will be held until payment is received and then accepted into the event.

Special Conditions

This event is governed by the ESNZ General Regulations and the relevant policies and codes and where applicable, discipline sport rules and bylaws. All of these can be accessed via the Equestrian Sports New Zealand Website www.nzequestrian.org.nz

Disclaimer of liability: Neither the organisers of the event nor ESNZ nor any agent, employee or representative of these bodies accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land, vehicles, their contents and accessories or any other personal property whatsoever whether caused by their negligence, breach of contract or in any other way.

The Event Organisers may, at their absolute discretion, decline to receive any entry, or return any fee without being required to give any reason or being liable for any compensation. The Event Organisers reserve the right: to cancel any class or event, to divide any class, to alter advertised times, to transfer competitors between sections of competition.

All riders must have an adult on the grounds who is responsible for them. The ratio of riders to adults in each school team must not exceed 4:1 at any time. It is the responsibility of the school to ensure this is adhered to. To assist with running the show all schools will be allocated duties. We will attempt to keep this as fair as possible given the variety in team sizes. Please ensure that you have enough adult supporters to attend to these duties as they may not be able to be scheduled around your competition times.

In the unlikely event cancellation should be required an email will be sent to all entrants. This will also be posted on the St Peter's Equestrian Facebook Page.

All classes will be run in draw order.

Eligibility:

A student eligible to compete in National and Island secondary school events must:

- be enrolled as a bona fide (Year 7 or above) student at the school of representation and studying at least 80% of a programme that is part of the timetable provided by the school for at least four weeks immediately prior to the event.
- be under 19 years of age at the first of January in the year of the competition unless specified otherwise for a particular competition.
- The school must be prepared to authenticate a student's birth date. Event Organisers may require validation by a birth certificate or passport.
- All teams and individuals participating in National or Island events must be declared at the date prescribed by the sanctioned sporting body.
- This event is open to year 7 and 8 students to compete as individuals, however, if event capacity is oversubscribed, year 7 and year 8 entries will not be accepted. This will be notified at close of entries.

Teams, Points, Prizes and Scoring

Teams:

- Teams are to be made up of four riders, in years 9-13, from one school. Each rider must enter three classes.
- If a school does not have enough riders to complete a team of four, they may enter a partial team or individual rider. A composite team can also be formed by riders from different schools. Composite teams must be put together by the schools wishing to combine. A composite team application form must be completed and sent to the event secretary.
- Year 7 and 8 students are not eligible to be part of secondary school teams.

Individual Class Placings

- Individual class ribbons will be awarded for 1st to 4th place in each class.
- Years 7-13 are eligible for individual class ribbons.

Team Points

- Points are awarded for the first 10 individual placings in each class i.e., 1st = 10 points, 10th = 1 point. The team with the highest total number of points will be the overall winner.
- In the case of equality, the team with the highest scores out of one hundred in each of their classes will be placed higher.
- Ribbons will be awarded to the teams placed 1st through to 4th.
