Riders can only choose to compete in one class per round eg. Class 1 and Class 2. Classes entered from Round 1 and Round 2 do not have to be of the same height.

This team event is open to secondary school year 9 – 13 students. Teams are made up of 4 riders, and riders can enter two classes at any height. One of these classes must be round 1 class and the other round 2 to gain maximum points. Two classes must be entered. Points for overall team championships are taken from two classes.

Intermediate school year 7 – 8 students can enter as individual riders, according to School Sports NZ eligibility regulations. These riders are eligible for class placings but are unable to compete in a team; therefore, their scores are not counted towards the overall team points.

General Conditions

Entries

- All schools should enter their students in teams of up to four members. Year 7 and 8 students are entered as individuals, by entering a separate team with their year 7 and 8 riders. Entries must be completed by the team manager. Please ensure your school and year level are entered in your My Account on EvoEvents. A school contact email must be supplied by all entrants to confirm that they are endorsed by the school.
- If a rider has two or three horses, then each is treated as a separate combination for point scoring, and each horse must be in a separate team.
- If schools do not have a full team, they will be placed into composite teams by the event organisers. Once teams are allocated changes can not be made to teams.
- Riders are limited to a maximum of three horses at the event, should numbers permit.
- Entries are online via EvoEvents. By entering online, you are making an agreement with the Event Organisers and all fees are due. Entries not fully paid at the time of entry will not be accepted but will be held until payment is received and then accepted into the event.

Disclaimer of liability: Neither the organisers of the event nor ESNZ nor any agent, employee or representative of these bodies accepts any liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land, vehicles, their contents and accessories or any other personal property whatsoever whether caused by their negligence, breach of contract or in any other way.

The Event Organisers reserve the right: to cancel any class or event, to divide any class, to alter advertised times, to transfer competitors between sections of competition.

All riders must have an adult on the grounds who is responsible for them. The ratio of riders to adults in each school team must not exceed 4:1 at any time. It is the responsibility of the school to ensure this is adhered to. To assist with running the show all schools will be allocated duties.
