

FEI DRESSAGE WORLD CHALLENGE

26-27 September 2024 Manfeild Park – Feilding - NZ

LIVAMOL

Dressage NZ and ESNZ welcome competitors, supporters, sponsors, and the event team to the 44th edition of the FEI Dressage World Challenge sponsored again by Livamol and held at Manfeild Park, Feilding.

We extend our gratitude to the FEI & the FEI Solidarity Programme for their ongoing support of this international development competition. It is a valuable opportunity that NZL athletes can represent their country and be part of a global dressage competition without the requirement of international travel.

Dressage has the support of many fantastic sponsors and this event is no exception. Livamol are now in their eighth year as event naming rights, NZL Team and Intermediate I sponsors. We thank IAHP Australian based representative Shannon Lawlor for his enthusiastic support. World Challenge.

Syncroflex HA, under the new ownership of Anna-Marie Morris is welcomed back to the event as sponsor of the Prix St Georges competition, the winner also receiving the coveted Fetterman Trophy donated by Andrea Raves & Helen Hughes-Keen as tribute to Fetterman and Andrea won the Zone title in 1989.

We also back Quality Presentations, again supporting the very strong Youth Class, FMG Insurance, the New Zealand Warmblood Assn as sponsors of the Senior I Class and FMG Insurance as sponsors of the Senior II Class. We know all these sponsors contribute widely to the equestrian sport sector so we feel privileged they have chosen to join us at the FEI Dressage World Challenge. ,

A new sponsor, the Borrowed Collective, fittingly joins the event for the Champion Best Presented Horse and individual award in each section at the horse inspection. And thank you to IRT, official horse welfare partner of ESNZ

A special welcome to the Judges, Kerrie Swan-Bates (AUS) and Kristin Cottam (Southland). Thank you to the hardworking team who have been involved in the planning of this event, the many officials and volunteers who contribute so much. It is also a pleasure to collaborate with Dressage Central Districts to stage this event.

Congratulations to the riders selected for the challenge this year, wishing you the best of luck, Dressage is proud of your commitment and achievements in the sport.

Sue Hobson | Chair, Dressage NZ.

Acknowledgements

Dressage NZ offers a special thanks to the sponsors, supporters, volunteers, organising committee members, officials, judges, writers, runners, stewards, and Dressage Central Districts members for their assistance in the presentation of the event.

History

NZ riders have a rich history of team and individual success in this competition in both the Zone 9 and World Rankings

The aim of this competition is to give the less experienced Dressage riders who, under normal circumstances, cannot take part in international Dressage competitions and live in the more remote countries, the opportunity to compete internationally without having to leave their own country. Creating a “bridge” between the National level and the first FEI level of competitions but aiming to develop the discipline as a whole in a country by creating more opportunities for officials to gain experience while working in close collaboration with FEI Judges. The event offers a world individual and regional classification per level, in the team classification a minimum of 3 and a maximum of 4 team athletes can be nominated, the team members’ final results, expressed in percentages, will be added. The results achieved by the three best team athletes will count for the team classification. Scores obtained at higher technical levels will have a higher coefficient, this may impact the overall results and the team selection process.

The event also serves as an educational purpose by linking the competition with the coaching. The Dressage tests are in correlation with the Levels 1, 2 and 3 of the FEI Coach Education System. National Federations that have applied through the FEI Solidarity for an Equestrian Sport Educative Event in Dressage have the possibility to link the competition to the education of their National officials, which is another important tool aimed towards the development of the discipline.

The event is held between the 1 January and the 31 December each year and 2024 sees the FEI Dressage World Challenge entering its 44th edition.

All information related to this competition are available on the FEI website:

International Animal Health Products

International Animal Health, the manufacturer of Livamol, Livamol Feed Optimiser Pellets and the Livamol grooming range wishes the competitors at the FEI Dressage World Challenge the best of luck at this year's competition. The competition is always tough, but the New Zealand riders have always shown

they are world class dressage riders.

For anyone who is fortunate to win one of our prize packs please reach out to us.

We would like to thank Dressage NZ for inviting us to sponsor this spectacular event.

Kerrie Swan-Bates - FEI 4*/YH Judge (AUS)

Kerrie commenced her FEI career eight years ago. Kerrie is also an Australian 'A' level judge, a Judge Educator and National YH judge. She lives just out of Hobart in Tasmania on a small rural property with her husband, horses, dogs, chickens and cat. When time permits Kerrie is still actively riding and has a passion for the education of up-and-coming judges and the development of young riders.

**Kristin Cottam - List B (NZL)**

Kristin is currently just one step away from an A List NZL judge, after recently passing her theory exam and now working towards her practical exam. She is the Dressage Southland AJO, and enjoys encouraging new judges onto the Southland judges list as well as supporting current judges with their upgrading requirements. She has enjoyed breeding a range of predominantly dressage horses and has competed up to medium level, but her time is now spent judging throughout NZ. When not busy in the dressage world, Kristin works as a Area Sales Manager for Virbac – a pharmaceutical animal health company. She lives in Winton in the deep south with her husband Andrew, their two children, Hunter and Millie who she enjoys supporting in their individual pursuits combined with a shared love of travel overseas.

Sue Hobson – FEI 4*/YH (NZL)

Sue is the Chair of the ESNZ Dressage Board and active List A Judge throughout NZL in addition to her international offshore FEI judging appointments. She is a NZL Judge mentor taking both official and local clinics. Sue is always willing to judge at all levels of events from secondary schools to national events and often assists at rider development camps.

Sue will officiate on the Senior I class at this year's FEI Dressage World Challenge.

INSURANCE YOUR HORSE WOULD ENDORSE.

If your horse could choose an insurer, we're sure they'd pick FMG. After all, we're the country's leading rural insurer, specialising in covering against risks specific to life on the land—like horses, fences and liability. But we also provide great cover for your personal needs like home, contents (including your horse accessories) and vehicles (which includes horse floats). So get in touch with the insurer your horse would give the nod to. Call us on 0800 366 466 or visit fmg.co.nz

We're here for the good of the country.
