DONNERUBIN

(imp)

A National Champion himself, now Donner Rubin is the sire of the greatest number of NZ Dressage Champions in the lower levels (his progeny are still young) since 2016 onwards! That is the power of using a stallion with the highly inheritable bloodlines of Donnerhall (Donner Rubin is a double cross) and Rubinstein. 12 years old - 16.1hh.
Donner Rubin produces champions under saddle where it counts.

NZWA PERFORMANCE LICENCED STALLION

Donner Rubin started at his first season Grand Prix dressage in 2017-2018. Donner Rubin is the first stallion in NZ's history to be trained from foal to Grand Prix by one person, and better yet, I had never ridden level 5 before him, he was my first stallion and my first young horse! That is a beauty of these bloodlines, talented and still trainable.

- Donner Rubin continues to gain strength and confidence in his Grand Prix competition career and training. It is a really exciting and proud time for us both!
- Donner Rubin has been tested as being free of the WFFS gene.
- We are proud to announce that in 2017 the NZ Warmblood Association has licenced Donner Rubin off his performance results. His progeny can now be included in the main studbook.
- Donner Rubin's bloodlines in particular the Donnerhall bloodline continue to be highest represented in the world dressage rankings. Donnerhall and now his son's and grandson's for the past over 10 years have held the highest number of top 10 spots on

the WBFSH Sire Rankings for dressage. It is this kind of reliability that we as breeders look for when choosing a stallion that is going to produce an outstanding foal.

- This is why Donner Rubin progeny continue to dominate in the dressage arenas. They are both talented, stunning to look at, but more importantly are incredibly trainable. These traits are inherited from the strong Donnerhall genes. Donner Rubin being a double cross of the Donnerhall bloodline, means he stamps his progeny extremely strongly.
- Donner Rubin is the sire with the highest number of progeny who were National and Regional dressage champions since 2016.
- Donner Rubin is also the sire of the 2017 National

Young Eventing Horse champion - Ricker Ridge Riley who has gone on to now compete at 3* level upwards events with considerable success at 3* level upwards

- Donner Rubin progeny are also champions in showing and show hunter. They show a natural ability to jump and are making their mark in most realms of equestrian sports.
- Donner Rubin's progeny have such magic temperaments, this has meant that even freshly broken in Donner Rubins are being ridden by young riders.
- The most exciting part is that these Champion Donner Rubin youngstock come from such a wide range of mares, TB, warmbloods, anglo arabs or clydesdale mares. He stamps his progeny that strongly.

Our motto is "EVERYONE DESERVES A BEAUTIFUL HORSE!"
So come and join the Donner Rubin family. Donner Rubin is highly fertile which makes breeding a breeze.
