The Weigh To Win

at the Taupo Equestrian Supplies North Island Gypsy Cob Show 2024

We are thrilled to announce the return of our popular TWTW programme at our North Island Show. Ensuring the well-being and optimal health of our beloved equines is a priority for NZGCA, and we are committed to promoting a balanced and healthy lifestyle for gypsy cob and drum horses.

TWTW helps raise awareness of healthy body condition among gypsy cob and drum horses, and to recognise and reward exhibitors in show classes whose equines have a correct body condition. Peoples' perceptions of what is a healthy weight for their horses have become skewed towards the higher body condition scores (BCS) and TWTW initiative, rolled out in the UK in 2019 and adopted by the NZGCA in 2023, is aimed to help reset this balance.

Bring your horse along to see Gretel Webber, Dunstan's Equine Nutritionist, who, with the assistance of our superstar TWTW co-ordinator Chelsea Richards, will BCS and weigh your horse. You will have the opportunity to discuss weight management and feed with Gretel.

The person whose horse is closest to optimal BCS will be awarded one of our gorgeous Weigh to Win rosettes. There are three up for grabs: one each for the Purebred Gypsy Cob, Partbred Gypsy Cob and Drum Horse with the closest to optimal BCS.

Weigh Scales generously sponsored by Gallagher

Beautiful TWTW rosettes kindly sponsored by Supreme Horse Garlands

Also incorporating ... the 'Know Your Horse' competition

New for 2024, this competition tests your knowledge of your horse. Just by entering the "Know Your Horse" competition you are entered into the draw to win an amazing prize pack valued at approximately \$100. Three measurements of your horse will be taken, you guess what your horse's measurements are and the person who guesses closest to the three measures is awarded an NZGCA cap!

On show day, make your way over to the Dunstan TWTW area to participate in TWTW, and to find out details of the Know Your Horse competition, to enter and be in to win.
