EVENT DIRECTOR'S WELCOME

A very warm welcome to the Hinterland and John Jones Steel National Three Day Event Championships.

As I am sure many of you are aware, the last time they were held in the South Island was 40 years ago. Eventing Canterbury is very excited to host them again this year, and hope that this will become a more regular occurrence than in the past.

A lot of work has gone on in the background to pull this all together. The seeds were planted over five years ago, and there has been a tremendous amount of investment into the development of the Dunstan Horsefeeds National Equestrian Centre since then. Not only has the infrastructure been developed, but we have also invested in new cross-country jumps. Over thirty new jumps get used for the first time this weekend.

We truly appreciate the immense contribution that our sponsors have made towards enabling us to present the competition. Without you all, this would not happen. In this day and age sponsorship is critical to being able to host an event of this scale. Thank you all very much.

I encourage riders and supporters to also thank our sponsors wherever and whenever you get a chance. Your acknowledgment goes a long way towards ensuring they also come back. Our naming rights, class, jump and other sponsors are all listed in the event programme, so please do your bit.

As always, an event of this size can only happen with a very dedicated team in the background. There are a core group of people I would like to acknowledge: Sarah Bromley (the powerhouse super organiser), Sharon Rayne (the money person), Claudia Faulkner (the secretary, rider, organiser), Nick Pyke (young event horse master planner), Nicola Sim (dressage guru), Rosie Sullivan (cross country master planner), and Kelly Sloan (the best fundraiser you could ever hope to have on your team).

Vicki Lawson from EvoEvents also deserves a special mention. She has stepped into the event secretary role, and weaves her magic.

Thank you to the ESNZ Eventing Board for having the faith to let us run the NZ3DE, and for allowing us to tap into the skills and knowledge of Hayley Daigle, who is the font of knowledge you want on speed dial.

There are many more who have also contributed immensely to the event, unfortunately space does not allow me to acknowledge them all, but your contribution has also been fantastic and appreciated (most of the time).

Many thanks to all our officials, both FEI and ESNZ, who have contributed their time and expertise to making this all happen. A warm welcome to them all and in particular our overseas officials, Bev Shandley (Ground Jury Member CCI4*/3*) and Suzy Burdon (FEI Steward) who join us this weekend from Australia. Once again as riders and supporters please take the time to acknowledge and thank our officials as well.

To all the riders we hope you have a great competition, and whatever the result we hope you enjoy the experience, and we look forward to seeing you compete in Canterbury in the future.

May your centre line be straight, you ride the cross country like the wind, and all the poles stay up.

All the best.

Don Robertson
Event Director

DEVELOPING CHRISTCHURCH FOR OVER 50 YEARS

At Maugers Contracting, we take immense pride in our dedicated team of 40 full-time staff members, with the majority boasting an impressive average tenure of 5-40 years. FEI CODE OF CONDUCT

1. In all equestrian sports the horse must be considered paramount.
2. The well being of the horse shall be above the demands of breeders, trainers, riders, owners, dealers, organisers, sponsors or officials.
3. All handling and veterinary treatment must ensure the health and welfare of the horse.
4. The highest standard of nutrition, health, sanitation and safety shall be encouraged and maintained at all times.
5. Adequate provision must be made for ventilation, feeding, watering and maintaining a healthy environment during transport.
6. Emphasis should be placed on increasing education in training and equestrian practices and on promoting scientific studies in equine health.
7. In the interest of the horse, the fitness and competence of the rider shall be regarded as essential.
8. All riding and training methods must take account of the horse as a living entity and must not include any technique considered by the FEI to be abusive.
9. National Federations should establish adequate controls in order that all persons and bodies under their jurisdiction respect the welfare of the horse.
10. The national and international Rules and Regulations in equestrian sport regarding the health and welfare of the horse must be adhered to not only during national and international events, but also in training. Competition Rules and Regulations shall be continually reviewed to ensure such welfare.
