Arrival – Access to the grounds is via the Fleet Street entrance from midday Saturday.

Arena Familiarisation/Warm Up - Arena familiarisation is 2.30pm – 4.30pm on Saturday. Arena set up is from 12.00pm Saturday - your assistance will be most appreciated. If set up is completed earlier, arena familiarisation may commence earlier or, if there is not sufficient assistance, it will start later. Finish time will remain as 4.30pm to allow for first aid cover.

Horses may be led in-hand or ridden at **walk only** around the outside of the arena and be ridden in trot and canter in the all-weather warm up area during these times.

All riders, and any person leading a horse in an arena familiarisation, must be wearing a correctly fitted, current ESNZ approved tagged helmet. All riders, and handlers leading horses, must be wearing a back number and a bridle with a permitted bit. A Newmarket lead may replace the reins for leading purposes.

Riders competing on the all-weather surface may enter the all-weather warm up area 15 minutes prior to their test time. Riders competing on the grass surface (Arena 5) may enter the oval area 15 minutes prior to their test time. Otherwise, warm up is in the Judds Road paddock.

Riders in Arena 4 will start their test inside the arena. All arenas are 60 x 20m.

Back Numbers – All tests are non-graded so all riders must wear back numbers when working their horse/pony. Please collect these from the office and ensure you return them before you leave.

Camping – you must have booked and paid camping fees with your entry if you are staying on the grounds Saturday night. This is a requirement of the A&P.
