

Radincon ESNZ Endurance & CTR National Championships 2025
Hosted by Marlborough Endurance and Trail Riding Club
24-27 April 2025, 523 State Highway 63, Renwick

Ride Base

- Ride base is about 5km from Renwick.
- Toilets and water provided but bring own yarding, camping gear, etc.
- We are still working on having showers available, however, these won't be on base, but hopefully in Renwick.
- All children must be supervised by a responsible adult at all times while on ride base.
- No arriving after dark please, respect those living in the homes on the property and nearby.
- There are two gates into the ride base paddock – the main driveway, which has a cattle stop, but is fairly narrow (ok for standard sized vehicles) and another gate, also off SH63, in the top corner. We recommend using the second gate for trucks and wider vehicles.
- A map will be drawn up shortly but there is plenty of room for everyone.

Entries

- Definite entries close at 5pm Friday 11 April. Definite entries are done through this [link](#)
- Refunds are at the discretion of the Organising Committee.

Health and Safety

- For the purpose of our event, the venue opens at 12pm on Wednesday 23 April 2025.
- It will also be necessary for the rider to collect their rider back number before their horse can be ridden at the venue.
- At any time the person riding the horse must wear the rider back number allocated to the horse. If this is outside of your competition then turn your rider bib inside out.
- Please keep well clear of the start/finish area and the track leading to the start/finish while exercising horses.
- Safety helmets and appropriate footwear must be worn at all times while riding.
- ESNZ GR Article 151.7 - The use of cameras by riders while riding at a showground/competition venue (however such a camera is affixed, whether to the rider, protective headgear, head covering, or carriage) is prohibited, unless otherwise specifically agreed to by the ESNZ Technical Delegate officiating at the Event (in consultation with the President of the GJ, where appropriate). Such a decision will be completely at the discretion of the Technical Delegate/GJ President, and not subject to challenge. In the event that approval is given by the Technical Delegate/GJ President, an athlete's decision to wear a camera while competing will always be voluntary and at the athlete's own risk.
- The fire risk could still be very high so we advise you to limit smoking to your own vehicles please, and be prepared for a total fire/smoking ban in extreme high risk. No open fires.

FEI Competitors

- ALL competitors riding in FEI competitions need to comply with the FEI Veterinary Regulations in regards to having uploaded their horse's health certificate and temperatures in the 3 days leading up to the event, and while at the event. Please ensure you are familiar with this process before the event.

Training Area

- A separate training track will be provided. There is to be no riding anywhere else apart from this training track. Please note that this property is a working farm and vineyard and health and safety is paramount.

Stallions

- Please advise if you are bringing a stallion.

Ice

- At this stage no Ice will be available at the ride base but it can be purchased at Supermarkets and Service Stations at Renwick.

Water

- There is plenty of water available at the ride base for horses, drinking and strapping. It is recommended to bring human drinking water with you.

Hay

- Premium Meadow and Lucerne hay is available to purchase. Please order and pay for with your entry. It will be delivered to base by Wednesday 23 April.

Farrier

- Any request for farrier work will be at the rider's own expense. There will be farriers on base from Thursday.

- Please take all rubbish home with you as bins will not be provided.
