Important New Information

Having now run North Canterbury Dressage for three seasons and seen the ups and downs of entry numbers and bad weather, we feel it is time to look for a fairer way of calculating our series results. To this end we had created and loaded onto Evoevents a new scoring system based on the score that you get rather than the place in the field.

We will be using this to calculate our three-day series of events: Spring, Summer and Autumn. We feel that it gives a fairer and much even presentation of results meaning that all riders who score 57% or above all will get points based on their result rather than using the old twenty down to one, which seemed unfair when entries are low.

PLUS SOMETHING NEW “REWARDING EXCELLENCE”

We have introduced a revised competition, Rewarding Excellence, covering the full nine days of the 2025/2026 season.

Again, we will be using the new scoring system and whereas we gave away bags of feed last season this year, thanks to the kind sponsorship from Kaye and the friendly staff at **TAVERN HARWOOD** we are giving away three covers to the “**Highest Points**” winners in each of our groups, Graded, i.e. Fully registered, Non-Graded and Under 16yo’s.

We will be posting on our Facebook pages the running totals after each competition and the great thing about our New Scoring system it’s not how many times you compete, but that is also a factor, but it’s how well you perform thus “Rewarding Excellence”.

Below is the new “Rewarding Excellence” scoring system with a picture of the rug to be added soon.

>72%:	10 points
70-71.99%:	7 pts
67-69.99%:	5 pts
64 – 66.99%:	3 pts
60 – 63.99%:	2 pts
57 – 59.99%:	1 pt.

Can we please have volunteers on the entry form for Setting up arenas, collecting papers on the day and helping to remove the arenas at end of day. Due to us not being allowed to close the Sand Arenas off on the Friday anymore we will be putting all the arenas we require on Saturday Afternoon.

The championship will be run over all three days, and you must compete at 2 of these days in the same grade to be eligible. On day 3 Rosettes prizegiving will be split into stages. Firstly, just before 1.00pm and second time after the last class and arenas are down. Both will be unmounted in riding attire. Combination with most "Rewarding Excellence" points after day 3 is the Champion then next is Reserve. If 2 people are on the same points the combination with the highest total percentages is the winner.
